

DeVry Inc. To Offer \$1 Million In Scholarships

Evanston - DeVry, Inc. will offer 75 full-tuition scholarships at a total value of \$1,102,000 to 1985 high school graduates throughout the United States.

According to DeVry, Inc. President Philip A. Clement, each scholarship provides approximately \$14,600 for application fees and tuition, and may be used toward a diploma or Bachelor of Science degree program in either Electron-

ics Engineering Technology or Computer Information Systems. The scholarship can be applied at any DeVry Institute in the United States.

Finalists will be determined on the basis of College Board scores (SAT, ACT or WPCT) and will be announced in April, 1985. Scholarship recipients will be chosen on the basis of those scores, high school academic achievement, extra-

curricular activities and an essay. Announcement of winners will be made shortly thereafter.

Applications are available at the Office of Admissions at the DeVry Institutes and must be returned before March 19, 1985.

The number of scholarships granted to each DeVry Institute will be determined by the number of applications received by that school.

Each of the nine campuses will have the opportunity to award at least one scholarship to an outstanding student from the local area.

For further information, students should contact their high school guidance counselors, or write to the Office of Admissions at their local DeVry Institute.

DeVry, Inc. is devoted to technical education.

Family Day

Continued From Page 1A

Commenting on the day-long event, Tom Ishee, Marketing Director of the Coca-Cola Bottling Company of Charlotte, noted, "Coca-Cola of Charlotte has long been committed to promoting the family as the cornerstone of a thriving community like Charlotte. We look at our support of this First Annual 'We Are Family Day' as a natural means of continuing that commitment. We think the festival will be great fun for all and we look forward to the event becoming as much a part of the Charlotte experience as the family itself."

Charlotte Post publisher, Bill Johnson, concurred on the importance of promoting family. "I'm proud to be involved in an event that will focus attention on the critical need for strengthening family ties," he remarked. "I certainly hope that a large number of people from the 14 communities being spotlighted will turn out to have a good time with members of their families as well as with friends and neighbors from the various Charlotte communities. Clara Williams and WGIV officials ought to be applauded for developing what I think is a truly great idea."
