

# **NOW IS YOUR BEST CHANCE**

## **to go for it -- in college**

**WHO:** Anyone who is eager for success  
— and willing to work for it.

**WHERE:** Central Piedmont Community College.

**WHAT:** Quality education at a cost you can afford, with career programs in almost any area: Accounting, Architectural Technology, Business Administration, Commercial Art, Computer Engineering Technology, Pharmacy Technology, Electronics Engineering Technology, Hotel-Restaurant Management, Marketing and Retailing, Paralegal Technician, to name a few.

**WHY:** The opportunity for better jobs, better pay, a better life. Of course, you can always put it off and wait "for a better time." But if you wait, remember this: Somebody is beating you to the job you want.

**HOW MUCH:** \$51 per quarter.

**It's up to you:**  
**College or the same old struggles**
