

Prophet's Column "A Holy Calling"

By J. M. Little
Special To The Post

Every soul who receives the Holy Calling is taught the Lord (Isa. 54:13). When you meet a soul who has been Divinely taught, you know them. In a great multitude of our churches the pastors say "You can't tell who's saved and who is not saved." Because you are not saved yourself, preacher. God pity the preacher or teacher who cannot tell who is saved and who is not saved. That leads me to state a truth you have received from me many times: "The average preacher or teacher has no message for the souls of men. Why? you have never received the Holy Calling from God. You cannot lead where you haven't been and you cannot preach to each someone you don't know. What is coming from the pulpits of America and England today is just an opiate to lull sinners deeper and deeper into the death sleep. Did you ever know that every sinner is apart from Holy Spirit conviction, (John 16: 7-11), in the death sleep of sin. Did you ever know that preacher. Then why do you preach it if you know it. Since you don't know that truth you don't lead the souls of sinners to be ministering to the Holy Calling of God. The Light of the glorious Gospel of Christ that darkened mind and heart, (Cor. 4), and lets you see just how blinded by the god of this world you really are. How many of you have been awakened to see that Satan, the god of this world, had you blinded. Have you? You will see that long before God saves you. Now, I'm commissioned and ordained of God from Heaven to declare His word. Whether you like it or not is not my business. The multitudes of our preachers and teachers are commissioned and ordained by men.

no man for the truth! The soul who receives this holy calling is separated from all others. No one around him understands him unless they are saved. The religious world thinks you are crazy when you tell them you are lost. The first thing this call shows you is that you are lost. LOST, how many of you know the dreadfulness of that word "LOST?" Do you know what it means to be lost?

If you have never received the holy calling from God, you haven't the slightest idea of what it means to be lost. And you are at this moment on the road to Hell without warning. When God gave me that call, it was the most startling thing that ever happened to me. If the Lord has given you this call showing you that you are a lost sinner, this is the greatest thing that has happened to you in your life.

You are a blessed sinner. The Lord is showing mercy on you. What if you had died in your great religious state? I'm glad the Lord didn't let me die when I was teaching the Bible class. Why? If He Had, I tell you on the authority of God's eternal Word, I would be in Hell kicking and screaming today. Some of you Bible teachers here are facing a battle now. And you are reasoning this way: "If Brother Little were lost back there when he was teaching the Bible class, where does that put me?" If you admit I was lost back there, you are going to have to admit you are lost. Quit reasoning, friend.

Admit you cannot go back to the time you took your place before God as a lost sinner, you are not saved. I'll hasten to be true to your soul, you cannot listen to God's man and the Devil's man. If you believe the truth I'm giving you, you cannot go on listening to me. You are at the crossroads, my dear woman. You won't remain there very long. You'll side with me or take sides with the hireling. What will you do? The responsibility is on you. When a lost soul is brought to know Christ as his Lord and Saviour, he is left rejoicing in Him. And you never cease to thank and praise the Lord for saving such an unworthy creature as you. In the morning you are thanking Him, at noon time, in the evening, and in the wee hours of the morning He may wake you up rejoicing in Him. Christ is real to you heart. Has the Lord saved you? I am weeping because a soul here is facing a critical decision. She is either going to decide with the truth, against the criticism and hatred of her pastor for the truth, or she is going to decide with that hireling. When I was over near Lake Gaston at Piney Grove Baptist Church where we have gone many times over the last several months, a woman there had already made the decision against the truth and the Lord's servant. A great Bible teacher but hating the truth. What a tragedy. The eternal destiny of souls is hanging in the balance. It's Christ or Hell.
