

Mary E. Hines found the "key" to winning. It was the grand finale of Radio Station WPEG's Gran Am Giveaway. Ninety-eight (98) daily winners were given the opportunity to choose a car key, knowing only one would start the new 1986 Pontiac Gran am. Anticipation was building, when finally Mary E. Hines of

Charlotte, N.C., slipped behind the wheel, inserted the key and heard the engine start. In addition to the new car, Mary Hines also found a check for \$2,098 stashed in the dash. The new car was given courtesy of FM 98, WPEG! and Jim Simmons Pontiac.

"Mini-Grants" Available For Youth Groups

Good news for youth groups! The North Carolina State Youth Council and the North Carolina Youth Advisory Council will award monies in the form of "mini-grants" in January of next year.

Any youth group needed money to implement an exciting and innovative program aimed at benefitting young people should consider applying for these funds by January 8, 1986.

Small grants averaging \$500 per group are dispersed to youth organizations who need funds to develop a new program for youth in their areas.

Applications will be screened and approved at the State Youth Council Board of Directors meeting in Charlotte on January 24-26. The council awards mini-grants to organizations three times each year. Awards are reviewed by the Youth Advisory Council before being granted.

Anyone interested in receiving more information on these "mini-grants" should contact Sarah Harris at 919-733-9296 or write for details to

the Youth Advocacy and Involvement Office, Elks Building, 121 W. Jones St., Raleigh, N.C. 27611.

The State Youth Council and the Youth Advisory Council are part of the Youth Advocacy and Involvement Office within the Department of Administration and work with youth council across the state. These councils are interested in issues concerning young people and encourage them to become involved in their community affairs.

**Bennett's knows that
fresh horseradish makes
all the difference.**

Fresh seafood demands fresh seafood sauce. So we put plenty of fresh horseradish in our tangy Bennett's Cocktail Sauce. That's the Bennett's difference.

We know that seafood sauce can either be a crowning touch or a sudden let-down. So we make Bennett's Seafood Sauces with ingredients that are as fresh as your seafood.

Real mayonnaise makes the difference in Bennett's Tartar Sauce.

And it's loaded with chopped onions and pickles for that extra lively taste. That's another Bennett's exclusive recipe.
