

# Celebrate Valentine's Day With Special Values!

**Make BI-LO your first stop for choice beef!**

It's easy to cook a standing rib roast. Sprinkle the roast with garlic and seasoning, salt & pepper. Place the roast fat side up on a rack in a roasting pan. Roast uncovered at 325° for about 20 minutes per pound. Using a meat thermometer, roast to an internal temperature of 140° for rare, 150° for medium rare or 160° for medium.
