William Camp

I would like to thank God for Health and strength that afford me the opportunity to work. Secondly, to thank Mr. Leatherman and Mr. Perry for excellent leadership and guidance that has aided in my success here at the dealership and filtered into my personal success. My co-workers and the entire dealership have assisted and made me feel at home... This is my career, not just a job. Last but certainly not least, thanks to my family and friends for their inspiration and support.
