

## Peacock Lounge To The Rescue

It is one of the most beautiful compensations of this life, that no man can sincerely try to help another without helping himself, and the members of the Peacock Lounge are always helping themselves because they are always helping others.

One of their ongoing projects is to assist the youngest member of the Peacock Family, Michelle Porter.

Michelle is a little 6-year-old lady who has suffered some big adult hardships since birth. Born with a serious eye disease, Michelle has been in and out of different hospitals for five years. Even though she is doing very well, now, she has to return to the hospital in January for another operation. This one is for facial reconstruction, and the members of the Peacock Lounge are there to lend their support once more.

Saturday night, Leon Jamison, manager, and the other members of the Peacock Lounge family are sponsoring a disco at the Lounge. The fun starts at 9 p.m. and will end when the good time runs out, which will be sometime Sunday morning. All proceeds will be given to the Porter family for medical expenses.

During the next three months the Peacock members will be sponsoring other benefits and the public will be informed and will be invited to participate.

For further information, contact Leon Jamison, 392-6211.

The new Essence Social Club will present a Hair and Fashion Show, Sunday, October 25, at the Coliseum Holiday Inn. The time is 7 p.m. until 1 a.m.

Leroy Page, the popular horn player among local jazz buffs, is being featured with Michael Riley and friends at Docksiders, on NC 49 and Buster Boyd Bridge, Lake Wylie. They play Wednesday - Sunday from 6-10 p.m. and there is no cover charge.

## Radio Managers Form Group

A newly formed Charlotte organization marks the beginning of a cooperative effort to heighten and strengthen radio broadcasting in Charlotte. The Charlotte Area Radio Managers (CHARM) is the name that has been given to a newly formed organization comprised of nine general managers of radio stations in the Charlotte Metropolitan area. Other Charlotte radio broadcasters will be invited to join. "Nearly every market in the country has had a Radio Broadcasters Association for several years now," said Don Kidwell of Magic 96 WWMG who will serve as first year president of CHARM. "Nine radio managers got together and decided it was time to form a group to work together for the common good of the radio industry in Charlotte. Of the nine organizational managers, eight have moved to Charlotte in the last 18 months from other cities that have active radio associations."

Among the group's objectives will be to provide an open forum for the exchange of ideas and information beneficial to all radio members and which will further the use of radio as an advertising medium, to ensure good relations between the radio member establishments and the general public, and to present a solid front and cooperative effort to promote and/or sponsor community-related events and other functions that lend to the vitality in Charlotte and foster public goodwill.

The 1987-88 officers for CHARM will be as follows: General Manager WWMG, President; Tony Renaud, General Manager WBCY/WBT, Vice President; Doug Berle, General Manager WROQ/Waas, Secretary; and Jake Gurley, General Manager WEZZ, Treasurer. Other radio managers responsible for the organization of CHARM include David Chandler of WLIT, John Irwin of WLTK, Glenn Bryant of WPEQ/WGIV, Steve Godofsky of WRFX, and Greg Lindahl of WSOC.

Eight local golfers got a small taste of some real down fun, recently, in Johnsonville, South Carolina, as sort of an oasis from digging up some of Myrtle Beach's more expensive real estate. These devoted to the game golfers were invited to a disco at James Eudy's Place in the Back Woods section of Johnsonville.

For Carl Clegg, Fred Neal, Reggie Sellers, Ace Drakeford, Tom Bradley, Gerald Bridges, Otis McClurkin, and Bob Johnson, it was a time to be talked about for years to come.

For the comedy lover, the Bar Pomodor in the Radisson Plaza Hotel will feature Willie Stradford, Jr., October 30 and 31.

"Sport" as he is known to his friends, has traveled around the country lighting the spark that has brought laughter to thousands of people.

If old gold rock and roll or rhythm and blues turn you on, then the Midway Lounge on Statesville Avenue is the place to be on Wednesday nights.

"Wenchy", the club's dj, masterfully mixes slow and fast tunes, which allow plenty of dancing, singing along or just reminiscing.

Cecil Green is the magic man at the Excelsior Club. Every Tuesday night he uses his cooking skills to prepare fish meals that are out of sight.

The team of Cecil, Dot and Zett,

always adds that little something along with the delicious food that make Tuesday nights at the Excelsior very special.
