### SPIRITUAL WARFARE

by Delores J. Hoover

What have you contributed to your family lately, your race, your country? Many times some don't care what's happening to others around them. We do nothing on our own. The job we prosper from, the employer prosper more. The home or car we bought at a good deal, the seller made a better deal. You see mostly everything we have, or have done, someone else did it, or had it before us. We must try to help, and encourage, and to strengthen one another in Christ, in life, in work. So I ask you to love the Lord with all your heart, soul, mind, and strength. And please, love your neighbor as yourself. I John 4:20 states, "If a man says, I love God, and hateth his brother, he is a liar: for he that loveth not his brother whom he hath seen, how can he love God whom he hath not seen? And this Commandment have we from him. That he who loveth God, love his brother also".

## Ask Your Veterinarian

Q: Does it really matter what I feed my pet?

Yes! Some pet foods contain too much fat, salt and other minerals which can be a real barrier to your pet's good health. If you're interested in pet nutrition you owe it to yourself and your pet to ask a pet professional about balanced nutrition. And why we stock and recommend Science Diet® dog and cat foods.

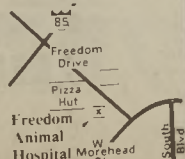

Here's why Science Diet is the most nutritious pet food you can buy.  
Specific formulations to meet your pet's exact nutritional needs at each stage of life.  
Phosphorus, magnesium and salt are restricted for less wear and tear on your pet's organs. More digestible for less stool volume.  
You'll see visible results in your pet's coat, muscle development and overall appearance.

100% satisfaction guarantee.  
If you care about pets like we do, stop by today or call our Nutritional Counselor and ask how Science Diet pet foods can help your dog or cat live a healthy and more satisfying life.
