By GWENDOLYN DANIELS
Lifestyles Editor

You may have noticed that the Gaston County Alliance section is missing. Gaston County news is being consolidated into the general news coverage by the Charlotte Post. The Gaston County church news will be included with the area-wide church news in the central part of the paper. Please continue to send your church news and announcements to the Charlotte Post. I have enjoyed working with the Gaston County churches and trust that God will continue to bless you as you have blessed me.
