You Can Pay More, But You Won't Get More.

Value is defined as what you get for your money. And Excel value means more car for less money than the competition. Plus, Excel comes with scheduled service and maintenance at no charge for two years or 24,000 miles. ** You won't find that on Tercel, Sentra or Civic. So come in and test drive an Excel. And see how much more your car budget can buy.
