BUILDING TOMORROW TOGETHER: SUPPLIERS

"Providing customers with real value is a reflection of our values."

ANTHONY L. SNODDY,
President
Exemplar
Manufacturing Company
Ypsilanti, Michigan

"It starts with our name, which has to do with setting the standard and the model for others to follow. In our company that means teamwork, being open to new ideas from within and outside, plain old hard work and never forgetting that we're consumers, too."

Anthony Snoddy's philosophy typifies what General Motors looks for in all our suppliers...and in ourselves. That's why we have contracted his company to supply all GM divisions with metal fasteners and precision ground pins for our transmissions.

At General Motors, we are convinced that working with quality suppliers like Exemplar helps us offer our customers cars and trucks that reflect their values.
