## UNTHANKFULNESS ABOUNDS EVERYWHERE

We are living in perilous times, friend! Christ is coming soon.

From the youngest to the oldest, this generation is unthankful. America has been blessed abundantly, but America is unthankful! There is coming a day, not too distant in the future, when God is going to cut off the material blessings that He has bestowed upon this nation. And He is also going to withdraw the Gospel. The Gospel is still going out across this nation, but one day God is going to stop it. He has given this

nation space to repent, but she refuses to repent! Christ said in Luke 13:3; "...except ye repent ye shall all likewise perish."

I have no patience with the individual who says that repentance is not for us today. The soul who has not repented is not saved and is unthankful. You can't repent toward God and remain unthankful. The born again believer is a thankful soul. I'm constantly thanking the Lord for saving such a hell-deserving sinner as I am. What about you? The soul who has seen his total depravity under the awakening of the blessed

Holy Spirit is a thankful soul. Show me a soul who is unthankful and I'll show you an unsaved soul. Oh, the tragedy of unthankfulness! If you knew Christ, you couldn't help but be thankful.

Listen, friends, this generation is gone, the churches are gone. We've never lived in a day like we are living in now. I warn you to flee to Christ. You only Hope is Christ. In the face of all the hatred of Satan and his emissaries, if I didn't know Christ I'd go under. I couldn't live without Christ. Sadly, souls are being hardened more and more. "Or despise thou the riches of His goodness and forbearance and longsuffering; not knowing that the goodness of God leadeth thee to repentance? But after thy

hardness and impenitent heart treasurest up unto thyself wrath against the day of wrath and revelation of the righteous judgment of God;" Romans 2:4-5). It is the goodness of God that leads a sinner to repentance, but the soul who has a hard heart is laying up wrath for himself at the judgment bar of God. God is going to call him in to give account. Remember the account in Luke 17 about the ten lepers. How many were thankful? Just one That's right, just one turned back and gave the glory to God. We are living in a time now when men are so hard-hearted that you could save a person's life by pulling them out of the fire or a watery grave and later they would curse you to your

face. This generation is headed for hell. Gratitude, like compassion, is a very rare article today. Do you ever think about it like that? Finding a soul who is thankful is as hard as finding a

soul who is saved. I believe the Lord's Coming is so near that He could come any minute. My cry is come quickly Lord Jesus. What is your cry? I'll leave you with that.
