**SUPPORT OUR ADVERTISERS**

When it comes to housing,

little things shouldn't make a difference.

If you have children and a landlord refuses to rent to you, requires a higher security deposit, limits the use of facilities, or says you can only live in certain areas of a housing complex... that could be discrimination. And housing discrimination is against the law.

**FAIR HOUSING IS THE LAW!**

The only way to stop discrimination is to report it. If you suspect unfair housing practices, contact HUD or your local Fair Housing Center.
