"ON NOV. 5TH, WE'RE VOTING FOR OURSELVES."

Good move. And that means voting for Democrats.

If you *don't* think there's a difference between Democrats and the Newt Gingrich Republicans, think about who's *been there*, fighting against the Republicans who, if given the chance, will continue to cut, slash and block the progress we've made. They're against direct Student Loans, Affirmative Action and increasing the minimum wage.

You have the power to stop them.

The Democratic Party *is there*, fighting for the things that are important to young people and families.

- Unemployment in the Black community is at a twenty-year low
- More than 10 million new jobs
- Increased the minimum wage
- Increased funding for Historically Black Colleges
- Made

Student Loans for college more affordable • Record number of African-American businesses • Provided Tax Relief for 15 million working families.

Democrats *are* dealing with the hard issues. But they can't continue to do it without your vote.

On Nov. 5th, vote for the people who care about you.

DEMOCRATIC 96
IT'S TOO IMPORTANT NOT TO.
