**PROBLEM:** Did you ever get the feeling nobody's listening to you?  
In today's fast-paced world, there seems to be a lot of talking but too little listening.

**OPPORTUNITY:** Well, 6 News is about to change the way TV stations communicate.

**ACTION:** 6 News will be out in your community listening to what's important to you.

**RESPONSE:** Then, we will share what we learned in follow-up 6 News Listens reports.

**BENEFIT:** A more responsive TV station. And as always, we're straight to the point.

 **NEWS** *Listens*

Call us at 1-800-303-5047 to schedule a 6 News Listens meeting for your group.
