

Sounds.....

Spearhead's CD is real deal

Continued from 1B
 on the acoustic "Tha Payroll."
 The group's sound and vision is progressive. How else would you explain Joan Osborne showing up on "Wayfarin' Stranger?" The title song alone is worth getting the CD. Thankfully, it's a lot deeper

than that. There isn't a bad song included. ☆☆☆ Good;
 ☆☆☆ Fair;
 ☆☆☆ Why?;
 ☆☆☆ Classic;
 ☆☆☆ Excellent; No stars given - A mess

Hutson exhibit

Continued from 1B
 "I want people to come out and enjoy abstract imagery," Noel said. "The works have titles, but that shouldn't limit one's reaction to these works."
 "Paris Objects" is named so because most were created in Hutson's studio in France. He moved there in 1963, after becoming acquainted with African culture philosophy and art. He traveled around Europe and Africa before coming back to the States to teach painting and drawing at Hunter College in New York.
 In 1984, Hutson was hired by Ohio State University in Columbus, Ohio as a visiting lecturer in the black studies department. He also taught African American art history at Ohio State.
 Hstson's work has been exhibited in France, Italy, Africa, Japan and America.
