

THE GLOBE: The Official Paper of Congress, and Newspaper for the People.

Lord Brougham, in his "Historical sketches of Great Britain," gives some remarkable examples, showing the great and sustained progress, through the imperfect state of parliamentary reporting in former times.

There is hardly any man in modern times, with the exception of the late Somers, whose name so large a space in our history, and of whom we know so little, as Lord Chatham; and yet he is the person to whom every one would at once point, if desired to name the most successful statesman of the British Empire.

What Somers and Chatham have lost in fame by the oblivion of all the masterly efforts of their minds, which, while the power of Parliament conducted the struggle, the government during their connection with it, the history of the nation has also lost for want of the vigor and verity, the clearness, the freshness, and beauty with which its events and their causes might have been preserved in the luminous eloquence of its orators.

HOLLOWAY'S PILLS. Most humbly and sincerely thank you for the immense patronage which you have bestowed upon my Pills. I take this opportunity of stating that my Ancestors were all American Citizens, and that I entertain for all that concerns American and the Americans, the most lively sympathies, so much so that I originally compounded these Pills expressly to suit your climate, habits, constitutions, and manner of living, intending to establish myself among you, which I have now done, by taking premises in New York.

PURIFICATION OF THE BLOOD, AND LIVER AND BILIOUS COMPLAINTS. The Citizens of the Union suffer much from disorders of the Liver and Stomach, scarcely any are free from the influence of these destructive maladies, hence life wears fast. The fair sex, perhaps the most handsome in the World, up to a certain period when, distressing to say, many lose their teeth and good looks, while in the heyday of life, such diseases may be effectually remedied by continually keeping the blood pure, and the Liver and Stomach in a healthy action, when life will flow smoothly, and resemble plants in a perpetual spring, where an eternal spring appears to pervade, it regards the preservation of the human frame, and the duration of life, much may be effected, and I say fearlessly, that health and life can be prolonged for many years beyond their ordinary limits, if Holloway's Pills are taken to purify the blood according to the rules laid down for health contained in the directions which accompany each box.

A CASE OF WEAKNESS AND DEBILITY, OF 10 YEARS STANDING, CURED BY HOLLOWAY'S PILLS. Copy of a Letter from Capt. John Johnson, Astor House, New-York, dated Jan. 5, 1854. To Prof. Holloway, 38, Cor. of Ann and Nassau Sts., N. Y. Sir: It is with the most heartfelt pleasure I have to inform you that I have been restored to health and strength by taking your Pills. For the last ten years, I suffered from a derangement of the Liver and Stomach, and was reduced to such an extremity that I gave up my Ship, never expecting to go to Sea any more, as I had tried every Remedy that was recommended to me, but all to no purpose; and had given myself up to despair, when I was at last recommended to take your Pills. After using them for three months, the result that I am now in better health than I have been for eleven years past, and indeed as well as ever I was in my life. You are quite at liberty to make this known for the benefit of others. I remain, sir, yours respectfully, Signed JOHN JOHNSON.

These celebrated Pills are wonderfully efficacious in the following complaints: Ague, Debility, Head-ache, Scrofula, or King's Evil, Bilious Complaints, Erysipelas, Jaundice, Stomach & Gravel, Blotches on the Face, Liver Com-Second's Sp't, Skin, Bowel Complaints, Fevers of all Piles, Wor's of all Kinds, Constipation of the Bowels, Retention of Urine, whatever cause, &c. Sold at the Establishment, 38, Cor. of Ann and Nassau Streets, New-York; also, by all respectable Druggists and Dealers in Medicines throughout the United States, in Boxes, at 25 1/2 cents, 57 cents, and \$1.50 cents each. To be had Wholesale of the principal Drug Houses in the Union. There is a considerable saving by taking the larger size. N. B. Directions for the guidance of patients in every disorder are affixed to each Box. For sale in Wilmington by Dr. A. O. BRADLEY, Druggist and Chemist, Market Street. June 5, 1854.

FEVER AND AGUE. DR. EDWARD BLEEKER'S STAMPEDE MIXTURE. FOR the Fever and Ague, Chagres Fever, Dyspepsia and all Bilious Affections. The Proprietor of this Medicine will state, without hesitation or fear of contradiction, that the Stamped Mixture has cured more persons where it has been introduced, than any other medicine in use for the above diseases. This medicine has neither Arsenic nor Quinine in its composition, all of the ingredients are of a perfectly healthy character, and highly stimulating and invigorating in their tendency. Persons while using this medicine will not be affected by exposure to water or a damp atmosphere no more than in their usual health. Planters in sections of the country where the Ague prevails, will do well to adopt this medicine, as the patient is not obliged to lay by while under treatment, and they may be assured of a speedy cure. The Proprietor could introduce thousands of certificates from those of the highest respectability; but prefers saying to the sick by one bottle and you will have the infallible proof in yourself.— Full directions for its use accompany each bottle. Certificates can be seen at the office, showing where this Medicine has cured when all others have failed. For Dyspepsia and all other Bilious Complaints, there is not a better Medicine in the market. Pianos—Pianos—Pianos. ATTENTION of purchasers is respectfully called to a new and gigantic invention in Pianofortes now fully perfected, and before the public, known as HALL'S CELESTIAL TRIPLE-STRUNG PIANO. The peculiarity of the CELESTIAL PIANO consists in its capacity for octavo playing with the single finger, an attainment hitherto unknown to the Pianoforte. The most ordinary performer is enabled by the aid of this improvement to produce effects in octavo playing that would confound a Talborg or a Liszt. One of its chief excellencies is its capacity to be used as an ordinary Piano of the sweetest quality of tone, and is instantly changed by the use of a common pedal to a combination so thrilling and majestic, as to captivate and charm the heart. These instruments are superior in power to two ordinary 7 octavo Pianos, while for sweetness, purity, breadth, and richness of tone, they challenge the competition of the world. This is the united testimony of Professors and Amateurs who have tested the Celestial Piano. Ordinary Pianos of all sizes, new and second hand, for sale at reduced prices.
