It has not been, until recently, in the power of S. & B. to conduct this branch of their trade in Wilmington-WANT OF ROOM having forbid the undertaking. In view of completing their New Establishment this winter, they have opened this fall the Merchant Tailoring, and employed the services of J. R. ASHBY, who is acknowledged to be in the FRONT RANK of his profession. Twenty years experience has established for him an ENVIABLE REPUTATION in the Northern cities.

The Workmen employed by this concern are all FIRST class, to whom the best prices are paid for the best work-and none other will be done in the establishment. In all they have nine Merchant Tailoring and Clothing Establishments, mostly located South. You will see, at once, the necessity for their having an EUROPEAN AGENT able, or further particulars furnished, by CONSTANTLY ABROAD, selecting and forwarding to the respective houses, the new and desirable styles of FOREIGN VABRICS. Such is the one important feature, giving them numerous advantages over those who are confined to one locality, and doing but a limited trade.

Another important consideration-they cater for the taste of Gents alone. They keep no Ladies' wear at all. The CLOTHS, CASSIMERES and VESTINGS, imported for this House, are all selected expressly for Custom Work, no goods being sold by the piece or yard.

The TRIMMINGS used are the best-all purchased for ordered work. In addition to the Merchant Tailoring Department, any gentleman wanting a well made and FASHIONABLE SUIT OF CLOTHES, can always supply himself at Scott & Baldwin's. They make all their Clothing-they warrant every garment-and pride themselves upon Eniron-MITY OF PRICES. A complete assortment of GENT'S of their goods, Dress Goods constantly on hand, best and newest styles. The celebrated "Patent Yoke Shirt," is sold only at this House-and is the best fitting garment worn.

Call and leave your measures and make your purcha-SCOTT & BALDWIN'S, ses at Merchant Tailoring and Clothing Store, Market-st. Oct. 21.
