SIX DOLDARS & YEAR IN ADVANCE

Age! DR. KENNEDY, of Roxbury, has discovered in one of our common pasture words a remedy that cures EVERY KIND OF HUMOR; from the worst Scrofula down to a common pimple. He has tried it in over 1100 Cases, and never failed except in two cases, (both thunder humor.) He has now in his possession over two hundred certificates of its virtue, all within twenty miles of Boston. Two bottles are warranted to care a nursing sore mouth. One to three bottles will cure the worst kind of Pin. ples on the face. Two to three bottles will clear the system of Biles. Two bottles are warranted to cure the worst canker in the mouth and stomach. Three to five bottles are warranted to cure the worst case of Erysipelas. One to two bottles are warranted to cure all humor in the Eyes. Two bottles are warranted to cure run n of the eat and blotches among the hair. Four to six bottles are warranted to cure corrupt and running ulcers. One bottle will cure scaly eruption of the skin. Two to three bottles are warranted to cure the worst case of ringworm. Two to three bottles are warranted to cure the most 6,000 desperate case of rhumatism. Three to four bottles are warranted to cure the salt rheum. Five to eight bottles will cure the worst case of scrot-

ula. 5,000 A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken. Reader, I peddled over a thousand bottles of this in

the vicinity of Boston. I know the effect of it in every case. So sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it but that I sold another : after a trial it always speaks for itself There 180 are two things about this herb that appears to me sur prising ; first that it grogs in our pastures, in some pla ces quite plentiful, aud yet its value has never been known, until I discovered it in 1846-second, that it should cure all kinds of humor.

In order to give some idea of the sudden rise and great popularity of the discovery, I will state that in April, 1853, I peddled it, and sold about six bottles per
