The unprecedented success which has attended this method of treating diseases of the Lungs and Throat, has induced us to depart from our usual course, and avail ourselves of the Press, in order to bring it to the knowlelge of such as may be laboring under, or predisposed to such affections.

The dawn of a brighter day has at length arrived for the Consamptive. The doctrine of the incurability of Consumption has at length passed away. We have indubitable proofs in our possession, that Consumption in all its stages can be cured ; in the first, by tubercular absorption; in the second, by the transformation of tubercule into chalky and 'calcareous concretions; in the profit of \$1,000 a year; but an imperfect one is a cause third by cicatrice- or scars. Reader, I peddled over a thousand bottles of this in 400 the vicinity of Boston. I know the effect of it in every 820 260 case. So sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it but that I sold 240 220 another : after a trial it always speaks for itself There are two things about this herb that appears to me sur 180 160 120 prising ; first that it grows in our pastures, in some pla ces quite plentiful, and yet its value has never been known, until I discovered it in 1846-second, that it should cure all kinds of humor. 

In order to give some idea of the sudden rise and great popularity of the discovery, I will state that in April, 1858, I'peddled it, and sold about six bottles per de The Numbers from 1 to 30,040, corresponding with in April 1854, I sold over one thousand bottles per day Some of the wholesale Druggists who have been in business twenty and thirty years, say that nothing in the annals of patent medicine was ever like it. There is a universal praise of it from all quarters. In my own practice I always kept it strictly for humors-but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never suspected. Several cases of epideptic fits-a disease which was always considered incurable, have been cured by a few bottles. O, what a mercy if it will prove effectual in all cases of that awful maiady-there are but few who have. seen more of it than I have. I know of several cases of Dropsy, all of them aged people cured by it. For the various diseases of the Liver, sick Headache, Dyspepsia; Asthma, Fever and Ague, Pain in the side, Diseases of the Spine, and particularly in diseases of the Kidneys, &c., the discovery has done more good than any medicine ever known. No change of diet ever necessary-eat the best you can get and enough of it. DIRECTIONS FOR USE .- Adults one table spoonful per day-Children over ten years desert spoonful-Children from five to eight years, tea spoonful.
