Inhalation in Consumption. Bronchitis, Largngites and other Diseases of the Chest and Throat, successfully treated by the Inhalation of Medicated Vapors and Powders, by Absorption and continual treatment, as practiced at the "Stuyvesant Medcal Institute," New York City. Diseases of the Heart Liver, Female Complaints, Dyspepsia, Venereal Affec-tions, and Chronic Diseases generally, will receive the attention of the Physicians, to whom such may have

been specially entrusted.

The unprecedented success which has attended this method of treating diseases of the Lungs and Throat, has induced us to depart from our usual course, and avail

ourselves of the Press, in order to bring it to the knowledge of such as may be laboring under, or predisposed to such affections.

The dawn of a brighter day has at length arrived for the Consumptive. The doctrine of the incurability of Consumption has at length passed away. The Greatest Medical Discovery of the Age! DR. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures EVERY KIND OF HUMOR; from the worst Scrofula

He has tried it in over 1100 cases, and never failed except in two cases, (both thunder humor.) He has now in his possession over two hundred certificates of its virtue, all within twenty mlles of Boston. Two bottles are warranted to cure a nursing sore

One to three bottles will cure the worst kind of Pits ples on the face.

Two to three bottles will clear the system of Biles. Two bottles are warranted to cure the worst canker

in the mouth and stomach. Three to five bottles are warranted to cure the worst

case of Erysipelas. One to two bottles are warranted to cure all humor in the Eyes.

Two bottles are warranted to cure runn of the car and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers. One bottle will cure scaly eruption of the skin. Two to three bottles are warranted to cure the worst

case of ringworm. Two to three bottles are warranted to cure the mest desperate case of rhumatism. Three to four bottles are warranted to cure the salt

Five to eight bottles will cure the worst case of scrot-

A benefit is always experienced from the first bettle, and a perfect cufe is warranted when the above quan-

tity is taken. Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case. So sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it but that I sold another: after a trial it always speaks for itself There are two things about this herb that appears to me sur prising; first that it grows in our pastures, in some pla ces quite plentiful, and yet its value has never been known, until I discovered it in 1846-second, that it

should cure all kinds of humor. In order to give some idea of the sudden rise and great popularity of the discovery, I will state that in April, 853, I peddled it, and sold about six bottles per dayin April 1854, I sold over one thousand bottles per day

Some of the wholesale Druggists who have been in business twenty and thirty years, say that nothing in The first 212 Prizes, similarly printed and encircled, the annals of patent medicine was ever like it. There is a universal praise of it from all quarters.

In my own practice I always kept it strictly for humors-but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never suspected.

Several cases of epileptic fits-a disease which was always considered incurable, have been cured by a few bottles. O, what a mercy if it will prove effectual in all cases of that awful maindy-there are but few who have

seen more of it than I have. I know of several cases of Dropsy, all of them aged people cured by it. For the various diseases of the liver, lick Headache, Dyspepsia, Asthma, Fever and Ague, Pain in the side, Diseases of the Spine, and par-

ticularly in diseases of the Kidneys, &c., the discovery has done more good than any medicine ever known. No change of diet ever necessary—eat the best you can get and enough of it. DIRECTIONS FOR USE .- Adults one table spoonful per

dren from five to eight years, tea spoonful. As no di-

rections can be applicable to all constitutions, take sufficient to operate on the bowels twice a day. Manufactured by DONALD KENNEDY, No. 120 Warren Street, Roxbury, Mass. Sold in Wilmington, N. C., by A. O. BRADLEY,
