"Baltimore again triumphant. It will be seen by the report of the Maryland Institute, which was published yesterday, that Wm. Knabe & Co., have again seen awarded the GOLD MEDAL CERTIFICATE, for the best square Piano on exhibition. This is the fourth year in succession that they have received the highest bonors of the INSTITUTE for the best square Pianos, over Instruments from the best makers of New York, Boston, and Baltimore. In the year 1855 Wm. Knabe & Co., received the Gold Medal, and in the succeeding years, 1856, and '57, and now in 1858. They have been awarded "The Gold Medal Certificate," which is the highest honor of the Institute, and can only be obtained by continued excellence over all competition. This shows well for Baltimore Mechanics, and is a well merited tribute for the Messrs. Knabe & Co., the fame of whose Pi-anos is so extensively appreciated." For sale by GEO. H. KELLEY, Agt.,

for Wm. Knabe & Co July 23. GROVER & BAKER'S \$50 SEWING THIS MACHINE is a plain got up article, the machine-ry is the very same as those Machines we cell for higher prices. The difference consisting only in the high priced ones being silver plated and setting on a nicely finished Mahogony Table with a cover. We sell them at \$50, no charges made for wrench, oil pot, screwdriver, &c. We give the above information simply to correct a mis-statement privately put forth in this city by the sellers of the \$40, No Humbug Machine, which is only an imitation of the Grover & Baker Machines, combined with the Watson patent, costing \$16 delivered here, and selling at \$40 to \$50. All we ask is fair and honest dealings with

our Machines, which we are willing to allow to others. GEO. KELLEY, Agent for Grover & Baker's Sewing Machines.
