It will be seen by the re-port of the Maryland Institute, which was published yes-terday, that Wm. Knabe & Co., have again been awarded the GOLD MED. L CERTIFICATE, for the best square Piano on exhibition. This is the tourth year in succession that they have received the highest honors of the Ixstitute for the best square Pianos, over Instruments from the best makers of New York, Boston, and Baltimore. In the year 1865 Wm. Knabe & Co., received the Gold Medal, and in the succeeding years, 1856, and '57, and now in 1858. They have been awarded "The Gold Medal Centrocate," which is the highest honor of the Institute, and can only be obtained by continued excellence over all competition. This shows well for Baltimore Mechanics, and is a well merited

tribute for the Messrs. Knabe & Co., the fame of whose d'i-anos is so extensively appreciated." For sale by GEO. II. KELLEY, Agt., July 28. for Wm. Knabe & Co THIS MACHINE is a plain got up article, the machinery is the very same as those Machines we sell for
higher prices. The difference consisting only in the high
priced ones being silver plated and setting on a nicely
finished Mahogony Table with a cover. We sell them at \$50, no charges made for wrench, oil pot, screwdriver, &c. We give the above information simply to correct a misstatement privately put forth in this city by the sellers of the \$40, No Humbug Machine, which is only an imitation of the Grover & Baker Machines, combined with the Watson patent, costing \$16 delivered here, and selling at \$40 to \$50. All we ask is fair and honest dealings with our Machines, which we are willing to allow to others.
