GROVER & BAKER'S \$50 SEWING

THIS MACHINE is a plain got up article, the machine-ry is the very same as those Machines we sell for higher prices. The difference consisting only in the high priced ones being silver plated and setting on a nicely invished Mahogony Table with a cover. We sell them at \$50, no charges made for wrench, oil pot, screwdriver, &c. We give the above information simply to correct a misstatement privately put forth in this city by the sellers of the \$40, No Humbug Machine, which is only an imitation of the Grover & Baker Machines, combined with the Watson patent, costing, \$16 delivered here, and selling at \$40 to \$50. All we ask is fair and honest dealings with our Machines, which we are willing to allow to others.

Agent for Grover & Baker's Sewing Machines.
