THIS MACHINE is a plain got up article, the machinery is the very same as those Machines we sell for
higher prices. The difference consisting only in the high
priced ones being silver plated and setting on a nicely,
hinished Mahogony Table with a cover. We sell them at
\$50, no charges made for wrench, oil pot, screwdriver, &c.
We give the above information simply to correct a misstatement privately put forth in this city by the sellers of
the \$40, No Humbug Machine, which is only an initiation
of the Grover & Baker Machines, combined with the
Watson patent, costing \$16 delivered here, and selling at
\$40 to \$50. All we ask is fair and honest dealings with
our Machines, which we are willing to allow to others.

They are taken in preference to those high priced Machines that are offered at half price. Every Machine we sell gives perfect satisfaction. The misrepresentations given by our competitors will not secure sales at half price. The Finkle & Lyons Sewing Machine is the best ever offered for Family use. They are destined to become the favorite.
