**THE FIRST REAL BALL
SNAPPY PLAYING YESTERDAY**
Salisbury-Spencer Goes Down Before the Danville Grays.

The heart of the local baseball enthusiast rejoiced yesterday afternoon even though the home team did go down before the Danville grays. This gladness was due to the snap and vim with which the game was played. The Spencer ground was in splendid condition, the weather was favorable and the crowd large. There was no lack of enthusiasm when the boys in blue—the home folks—went to the bat at 4:30 o'clock. When Umpire Smith—who by his rendered uniformly fair decisions—called "play ball" and Drake for Salisbury-Spencer went to the bat there was enough advice from the rooters to insure a home run. But Drake was retired as was also Wynne and Holt in succession.

Troy, Danville's center fielder, went the way of all flesh when it falls to score and Bateman followed by South learned the same trick to perfection. The first inning and 0 to 0. Bonbow, Cook and Hickson for the Blues tied a hornin' and again Danville took the willow in hand. To the fourth inning both teams had failed to score. Then the prophecy of Jule Watson, the crack second baseman of the Twine, that "if we lose a game it's always in the third or fourth inning" was realized. Danville scored and the Virginia contingent "whooped 'em up boys." Another score was made in the sixth and then the game was ended as a result. Danville did not take the last half of the ninth, Salisbury-Spencer having failed to score on the first.

NOTES OF THE GAME.
While disappointed in the result of the game none of the home people were dissatisfied. National Leaguers have done work far inferior to that put up by either team yesterday. The Danville boys know ball, play ball and dream. Under the management of Earle Holt the Salisbury-Spencer team has cultivated the same habit. A gentlemanly lot of fellows make up both teams and there was no suspicion of friction in yesterday's game.

Moore, Danville's pitcher, was bit by a ball returned by his catcher in the sixth inning and the game was suspended for ten minutes. He pluckily returned to the box and held out to the finish. He is a clever pitcher.

Two base hits were made by South and Doyle, of Danville, but both did on the bases.

Holt, for Salisbury-Spencer, and Benny, for Danville, had one passed ball each to their credit.

Winston in the box for the locals did good work. He struck out 5 and gave one base on balls, while Moore for Danville struck out 6 and gave a single base on balls. Each team had just thirty men at the bat. Salisbury-Spencer made four errors while Danville had but three.

This afternoon's game has been postponed on account of rain.

A CHILD SCALDED.
Not Seriously Injured. Nat Crump Said to Be Aboard.

Our Coolesees correspondent writes us that on yesterday morning, the little child of Mr. and Mrs. L. W. Miseneimer was painfully scalded by turning a pot of hot coffee over. The little one is but 16 months old.

This correspondent also says it is rumored that Nat Crump is camping on Davis county soil. Crump has quite a number of relatives in Davis county, has a sister-in-law near South River and it is not unlikely that he is in Davis.

SOUTHERN'S SPECIAL RATES.
Some Items of Interest to Those Who Travel.

The season of special rates is on now and the Southern is offering cheap traveling.

The State Normal commencement will be a matter of interest to Salisbury people. Tickets will be on sale June 6, 7 and 8, with return limit June 19. The rates are one and one third first class fare plus 25 cents.

The Baptist Female University at Raleigh has the same rate of 14 first class fare plus 25 cents, and tickets sold June 3 & 6 inclusive will be good until June 9 for returns.

The commencement exercises of the University of North Carolina at Chapel Hill will be attended by Salisburyans who will know with interest these rates. Tickets are placed on sale May 27, 29, 30, 31 and June 1, return limit being June 3. Rates the same as the above.

Tickets for the Wholesale Grocers' Association in Norfolk will be put on sale June 17 and 18. The convention lasts from June 19 to 21. The return limit is 10 days from the date of sale. The rate is one fare plus 25 cents.

Rev. Letz's Return.
Rev. W. A. Letz, of Prosperity, S. C., who recently accepted a call to the Lutheran church of Statesville, was in Salisbury this morning. Rev. Letz says that he will take charge of his work in Statesville about the first of June.

To Attend Commencement.
Misses Mary Henderson, Mary Graves and Rosalie Bernhardt will next week go to Chapel Hill to attend the University commencement and the closing hall which will be a brilliant affair.

Mrs. Moore in Asheville.
Mrs. James P. Moore is in Asheville as a delegate to the Congress of the Daughters of the American Revolution now in session there. She will return to Salisbury tomorrow.

THE YADKIN UNSAFE.
CORPORATION COM. REPORTS
Thirty-Seven Miles of Road Laid With 50 Pound Rails.

The Corporation Commission yesterday declared that the Yadkin road is unsafe. A Raleigh special to the Greensboro Telegram of this morning says: The Corporation Commission today issued a report on their recent inspection of the Yadkin railroad from Salisbury to Norwood. It says four of the forty-one miles of road are laid with sixty pound and the balance with fifty pound rails. All should be at least sixty pounds for the traffic handled. There appears to be too large a per cent of bad cross ties, the roadbed needs draining and general complaint that conditions are unsafe are well founded. Very slow schedule explains why so few accidents occur. Report says that on account of grades, curves and heavy loads of freight this road ought to be laid with sixty pound rail and the defective ties renewed and roadway drained in order to make this a safe road.

A BLOCK OF STORES
A NEW COMPANY IS ORGANIZED.
The Julian Investment Company Organized Today.

The Julian Investment Company was organized today with a capital stock of \$13,000. The company consists of D. R. Julian, J. D. Dorsett, J. L. Rendleman, S. T. Dorsett, and J. K. Dorsett and the following officers have been elected:

President, D. R. Julian.
Vice president, John L. Rendleman.
Secretary and Treasurer, S. T. Dorsett.
The company will begin at once the erection of a block of brick stores at Spencer.

A DELIGHTFUL PARTY.
Pleasers Spent Pleasant Hours on South River's Banks.

The picnic party of sixteen which left here yesterday at 4:30 in the afternoon, returned at 10:30 in the evening and spent a few hours of pleasure.

The drive to the river was delightful. Light clouds, just enough to ward off the heat of the sun, made the trip to the river unusually comfortable and pleasant. The return under a clear, star-lit sky, was prettier still.

At the river, two boat excursions with Mr. John E. Ramsey managing the Yadkin, were given. The water was exceptionally fine and the sail was smooth and swift. The boat is now in the finest water that it has yet sailed upon and Commodore Ramsey can handle the engine so as to give perfect results.

A delicious lunch was spread at eight o'clock upon Capt. Jack Lindsay's large lawn. At 9 o'clock the party chaperoned by Mr. I. C. Griffin and Mrs. T. Edgar Johnston, returned home.

IS CANDIDATE.
An Even Dozen and a Half Want Politician's Jobs.
When the aldermen elect policemen next Thursday night they will have an abundance of material from which to select. Up to this morning applications for positions on the force had been filed by eighteen aspirants.

AT HOME LAST NIGHT.
MISS CARMALT GRIMES HOSTESS.
Party of Young People Entertained by Her Last Night.

It was youthful society's inning last night and it was played well by Miss Carmalt Grimes. From 8:30 to 11:30 she was hostess to a coterie of her friends who were charmed as they seldom have been. The young hostess showed the true art she has in her tasteful decorations of red crepe paper and the profusion of daisies. She made things look beautiful and her attentiveness to her guests was responsible for the fitness of the passing hours.

An interesting contest took place when it came to pinning the individual petal nearest the day in the centre of the curtain. The contestants were blindfolded, turned about and started for the central mark. Miss Lucy Hamlin and Mr. Locke Chunn tied for first place and in the draw Miss Hamlin won a box of Nannally's bonbons. Mr. Louis Clement received the booby and drew a box of bonbons filled with pods of red pepper. After the contest refreshments were served.

By this time the hour of departure had come and the word of good-bye was said. It was decidedly a large event in the juvenile heart and Miss Carmalt Grimes is undoubtedly a great hostess.

The guests were: Misses Ila Thompson, Julia Barrow, Hallie Vele, Alma Tillman, Alice Kizer, Nellie Holmes Pearson, Susie Whitehead, Katharine Overman, Minnie Littmann, Mary Wood McKenzie, Mary Thornton, Virginia Gregg, Ruth Flippin, Marguerite Brittain, Ada Velle, Mildred McCubbins, Annie Laurie Ramsey, Alice Vanderford, Lucille Bernhardt, Lucy Hamlin, Ann Lela Dobson, Katie Fowler, Messrs. Frank Chunn, Leslie Babe, Locke McKenzie, Locke Chunn, John Bernhardt, Preston Buford, Muir Hodgins, Marion Solider, Carl Babe, Louis Clement, John Busby, Max Gregg, Ed Tankersley, William Summersett, Walter Grimes.

Two Roman Graduates.
At the recent examination held by the Board of Examiners of trained Nurses in Greensboro, 19 young ladies passed.

Among these were Miss Baulah Owens, of Barber, and Miss Sallie Ford, of South River. Miss Ford has been in the Watts Hospital in Durham but will go soon to Burlington.

Ladies are Thankful.
The ladies who managed the lawn party for the Baptist church last night, desire to give their thanks to those who helped make the affair financially successful. They also desire those who have saucers and spoons, to look over them for strange ones. 10 saucers and 15 spoons were lost last night. These may be returned to Mrs. W. H. Rich.

Dirt is Scarce.
Attention is called in another place to Mr. C. M. Miller's dirt sd. There is a dearth of it in Salisbury. On Fulton street, where the grading has been done all the available dirt has been sold. Salisbury is smoothing the rough places and looking better all over.

Engine Off The Track.
A freight engine was thrown from the track at Henderson's crossing about 7 o'clock this morning. The fireman was painfully but not seriously hurt.

Misses Rosalie Bernhardt and Mary Graves returned this morning from Concord where they have been visiting this week.

SHOT TAKEN AT CRUMP.
HE IS MAKING HIS WAY WEST.
Surrounded Last Night by Sheriff Manly McDowell.

Nat Crump, who on Monday morning attempted to assassinate H. Clay Grubb and Clarence Thompson, was all but taken yesterday afternoon by Sheriff Manly McDowell, of Burke county. Sheriff Julian received a telegram last night from Sheriff McDowell stating that he had shot at Crump and had him surrounded at the time near Old Fort. Another message this morning said that Crump was still at large. At 3 o'clock this afternoon Sheriff Julian had heard nothing later.

Engineer Eagle and Fireman Sowers, both of whom know Crump saw him yesterday afternoon at Nebo. Mr. Sowers jumped from his engine and ran to a store to notify those present that Crump is an outlaw when the negro took to his heels.

ARREST MADE AT HOT SPRINGS.
At 3 o'clock this afternoon Sheriff Julian received a telegram from J. F. Messer, of Hot Springs, stating that two negroes believed to be Crump and Hockins have been arrested. They are held awaiting a description.

SPENCER'S VISITOR.
Mr. Shea, Second Vice Grand Master, With the Firemen.

Mr. Timothy Shea, Second Vice Grand Master of the Brotherhood of Locomotive Firemen, arrived in Spencer this morning from Washington, D. C., and is meeting with the local lodge today. Mr. Shea is on a tour of the South visiting the various lodges and instructing the members in the secret work of the order and looking after the welfare of the organization in general. He is one of the most popular men in the Grand Lodge and his visit will be of great benefit to the local lodge which now has one hundred members and is taking in new ones at almost every meeting. Mr. Shea goes to Asheville tomorrow to visit the lodge at that point.

MR. SHUPING'S STRUGGLE.
Mr. Charles P. Shuping Rolls in the Mud With a Robber.

As Mr. Charles P. Shuping was returning home Wednesday night he came upon a fleeing negro man on Jackson street and at the same moment heard a voice "Catch that man!" Mr. Shuping started toward the negro who threw his hand to his hip pocket and threatened to shoot. Nothing daunted he grappled with his man and both fell in the street, where they rolled in mud until Detective Haney, of Spencer, who had been in pursuit of the man, arrived and relieved Mr. Shuping. The fugitive was wanted for box car robberies and was placed in jail.

Child's Death.
The 9-year-old daughter of Mr. William Lester, of Granite Quarry, was taken ill yesterday morning and died this morning at 3:30 o'clock. The remains will be taken to the old home in Montgomery county where the funeral will be held tomorrow.

Young Man Hurt.
Master Ned Lyons, of the Evening Post press room force, was painfully hurt at noon today. While opening a can the thumb and three fingers on the right hand were badly cut. The thumb was cut to the bone.

Miss Sophie Kluttz returned last night from Red Springs where she has been attending school the past year.

WEAVER IS CHEERED.
THE GAS GRAB MAY YET FAIL.
Citizens Unable to Employ Prominent Philadelphia Lawyers.

Philadelphia, May 26.—Mayor Weaver is cheered lustily as he goes through the streets for luncheon and is the recipient of so many congratulations from all classes, high and low, rich and poor, learned and uneducated, that the ring is beginning to quake, and it is probable that these evidences of popularity opposing the huge grab involved in the proposed gas contract will prevent the deal being consummated, even though it has been passed. Nevertheless, the citizens, in casting about for lawyers to prosecute the big knaves, cannot get any big lawyers in Philadelphia to take a retainer against the machine and have gone to New York to get counsel of commensurate standing for the huge job.

TEAMSTERS GATHER.
MAYOS DUNNE IS NOT ALARMED.

Chicago, May 26.—Teamsters strike is gathering new strength, no barrier appearing in any direction to keep it within definite bounds. Mayor Dunne has announced that there will be no necessity for a call-for troops this week. The lumber men are not so optimistic. They are living in terror of riotous uprisings in the vast area embraced by the lumber yards and plants. This district in particular, is peculiarly inviting to incendiarianism.

ENGINE IN A RIVER.
RESULTS IN DEATH OF THREE.
A Locomotive Plunges into Calumet River Today.

Chicago, May 25.—Three employees of the Chicago, Lake Shore and Western Railroad were drowned today when a locomotive ran into the Calumet river, 90 miles south of Chicago.

PREPARING FOR ELKS.
100,000 Visitors Expected in Buffalo in July.

Buffalo, N. Y., May 26.—Extensive preparations are already in progress for the national convention of the Order of Elks, which is to be held here during the second week of July. The street decorations and especially the electrical illuminations will be a notable feature of the gathering. Several magnificent and costly arches will span the principal downtown thoroughfares. It is estimated that 100,000 visitors will be in Buffalo during the convention week. They will represent every city and town of importance throughout the country. Buffalo is preparing to give the delegates and other visitors a reception more elaborate than any in the previous history of the organization.

RAIN TO-MORROW.
The Weather Forecast For North Carolina For 24 Hours.

Washington, May 26.—The weather forecast for North Carolina for the ensuing 24 hours is: Occasional rain tonight and Saturday.

Microbe Weather

These warm, balmy days make fine growing weather for myriads of microbes. They are laying out their plans to destroy them with a good germicide before they have an opportunity of harming you. Smallpox, diphtheria, typhus, scarlet fever and all infectious diseases are germ diseases. Disinfectants should be used freely in every dark spot or damp place, in cellars, drains, etc., and the sooner used the less likely to be disease. We have every disinfectant of known value. Cost almost nothing in comparison with good they do.
