Thus far preference appears to have been given to wheat shipments, and the bulk of that crop seems to have been disposed of but little impression has yet been made on the corn.

In addition to the car shortage, there also is a shortage of motive power. The roads having outstanding orders for new equipment are becoming impatient for the delivery of the goods.

WOMEN DRINKERS INCREASE

A New York Preacher Makes Startling Declarations.

New York, Feb. 28.—The Rev. Madison C. Peters of the Baptist Church of the Epiphany, in his lecture last evening on "Where the Money Goes," at the Twenty-fourth Street Methodist Episcopal church, made an appeal to women for temperance.

The alarming increase of the drink habit among women of America, especially in New York, he said, was a great peril to the home and to the republic.

"It is a common sight in this city," said the clergyman, "to see women, and often girls in their teens, drink in public as frequently and as hard as the men, often with men old enough to be their fathers."

"At a recent luncheon in this city twenty-four very young women drank thirty-six bottles of champagne, while fifteen of them smoked seven dozens of cigarettes. If the physicians dared to tell the secrets of their profession they could tell tales of the consequences of drink among women that would chill our blood."

ELOPED FROM WASHINGTON.

Minister Kept Waiting Until Girl Managed to "Steal" Away.

Rockville, Md., Feb. 28.—Henry Lee Neely, of Hinton, W. Va., and Miss Lally Chisholm, of Washington, were married here Saturday night. They had made arrangements with Rev. Thomas H. Campbell, pastor of the Baptist Church, to have the ceremony take place at 3:30 o'clock Saturday afternoon, but they failed to put in an appearance at the minister's home until 8:30 P. M. It was explained that the young lady was unable to "steal" away earlier.

The party returned to Washington immediately after the ceremony, their stay in Rockville being exactly twelve minutes. The only objection to the marriage is understood to have been the age of the couple, the young man being but 21 and the young lady 19.
