IN THE SPRING

When Energy and Vitality are at the Lowest Ebb.

(By S. C. Bower, M. D.)
At this time of the year people feel weak, tired, listless, their blood is thin, they have lived indoors and perhaps expended all their mental and bodily energy and they want to know how to renew their energy and stamina, overcome headaches and backaches, have clear eyes, a smooth, ruddy skin and feel the exhilaration of real good health tingling thru their body. Good, pure, rich, red blood is the best insurance against ills of all kinds. Almost all diseases come from impure and impoverished blood. It is to be noticed in the pale or pimply face, the tired, haggard appearance or the listless manner.

Purify the blood and you will learn the joy of living. This is the time to clean house and freshen up a bit. First, stimulate the liver into a thorough house-cleaning by taking a purely vegetable laxative made up and extracted from May-apple, leaves of rhoeo, root of jalap, made into Pleasant Pellet, first put up by Dr. Pierce nearly 50 years ago and sold by druggists.

Drink hot water a half hour before meals, and for a vegetable tonic there's nothing better than Dr. Pierce's Golden Medical Discovery, the old-fashioned herbal remedy, which has had such a fine reputation for fifty years. It contains no alcohol or narcotics. It is made from Golden Seal root, Bloodroot, Oregon grape root, Queen's root, Black Cherry bark extracted with glycerine and made into tablets and liquid. If druggists does not keep the tablets send \$1.00 to Dr. Pierce's Invalid's hotel, Buffalo, N. Y.

The pain of neuralgia is the cry of the starved nerves for food. Feed the nerves on pure blood and you cure the disease. In order to insure pure blood and to build up the system try this tonic known as Doctor Pierce's Golden Medical Discovery.

FOOD GROWING CAMPAIGN IN STANLY TO CLOSE IN PATRIOTIC MEETING

Farmers of Our Eastern Neighbor County Determined to Grow More Foodstuffs—Interest Also Taken in Raising of Cattle, Hogs and Chickens—Bumper Fruit Crop Also Expected.

Albemarle, April 24.—The Food Growing Campaign which was instituted by County Demonstrator, S. J. Lentz, more than ten days ago, will wind up on Saturday with a big rally and patriotic meeting to be held in Albemarle. Some prominent speakers will be present to address the people of the county on this occasion and a large crowd is expected to be present. The services of local speakers were engaged sometime ago by Mr. Lentz and speaking engagements have been filled in all sections of the county during the past ten days, and it is reported that these meetings have all been well attended by the farmers, together with their wives and daughters. The farmers of Stanly from all appearance are becoming more enthusiastic in their determination to grow more foodstuffs during the coming year and less cotton. Great interest is also taken in the raising of cattle, hogs and chickens. From present indications Stanly will have a bumper fruit crop this season and Stanly's Farm Demonstrator will lose no time in getting the people of the county interested in canning every available bushel of fruit grown.

In many ways Stanly has been feeding herself in the past as well as producing quite a great deal of cotton, but in the way of meat and hay, she has fallen greatly behind even the standard of feeding herself. There is evidently a strong determination on the part of most every farmer this year to not only produce enough meat, grain and hay to take care of local demands, but in addition thereto, to supply in a measure the great outside demands for such articles.

KENNETH BROWN TO AUGUSTA. Popular Young Night Ticket Agent at Salisbury Station Promoted and Sent to Georgia City.

Mr. Kenneth Brown, for a number of years the popular night ticket agent at the Southern's Salisbury passenger station has gone to Augusta, Georgia, where he will be night ticket agent for the Southern at that place.

The transfer of Mr. Brown to Augusta is a well deserved promotion. The office there is a much larger one and carries greater responsibilities, although the hours of duty for Mr. Brown there will not be as long as those at the Salisbury station. He has already gone to his new work, leaving here Sunday night and taking up his duties in the Georgia city immediately upon his arrival there.

Mr. Brown is succeeded as night agent of the Salisbury station by Mr. B. B. of Reidsville, who is now on duty.

Mrs. Summers Hostess.
One of the most enjoyable and profitable meetings of the Young Woman's Missionary Society of the First M. E. church held this year took place yesterday afternoon with Mrs. C. H. Summers as hostess at her beautiful home on East Lafayette street. The meeting was opened with devotional exercises ably conducted by Mrs. T. M. Winecoff. The routine business was attended to and several interesting reports given among which was that of the new mission study superintendent, Mrs. W. A. Lambeth. It was learned that the mission study class is using the text, "The South Today," which was proving a most interesting book. The program for the afternoon was under the capable leadership of Mrs. John W. Webb. The subject of stewardship of time and talents as well as money was presented in a most impressive manner by the leader. Following this Mrs. W. A. Lambeth and Misses Addie Rickert and Virginia Jenkins read several beautiful poems bearing on the subject presented.

At the close of the program a pleasant social hour was enjoyed during which the hostess served cooling refreshments.

WEAR THOSE SHOES THAT TORTURED YOU

Cincinnati Authority Tells How to Dry Up a Corn So It Lifts Out.

You corn-pestered men and women need suffer no longer. Wear the shoes that nearly killed you before, says this Cincinnati authority, because a few drops of freezone applied directly on a tender, aching corn stops soreness at once and soon the corn loosens so it can be lifted out, root and all, without pain.

A quarter of an ounce of freezone costs very little at any drug store, but is sufficient to take off every hard or soft corn or callus. This should be tried, as it is inexpensive and is said not to inflame or even irritate the surrounding tissue or skin.

NOW ON CIVIL CASES.

The criminal docket of United State court, in session here this week with Judge James E. Boyd, of Greensboro, presiding, was completed Tuesday afternoon and District Attorney W. C. Hammer has returned to his home in Asheboro. Immediately upon the completion of the criminal cases, quite a number of which were continued, the court went into the hearing of civil actions. However, the greater part of the morning session today was taken up with an address by Judge Boyd and which had been looked forward to with deep interest by our people.

The University of Georgia baseball team, which has been playing a number of teams in North Carolina, came in on No. 11 from the north this morning and went to Davidson college to play the team of that institution this afternoon. The Cracker State boys are a husky looking set and look as if they might give the Presbyterians a hard battle.
