If this announcement proves per cent." accurate it means an advance of GOETHALS POSTPONES more than thirty miles for the Russians since the opening of the drive of the Dueister a week ago. Plan to Take Over Privately Owned The official reports have placed them nearly two-thirds of the distance from the starting point as Kalnez, taken by General Korniloff's troops last week, is some twenty miles from Stanislau, which virtually was their place of departure.

At Kalnez the Russians are established on the westerly bank of the Lonnica, from whence the Austrians have not been able to drive them, although heavy attacks have been launched against before the director of the emergency them at this point.

The route lies along the Stanislau-Tryj railway line. An advance here means considerable progress in the movement now under way, and intended to throw the Austrian army back against the Carpathians, Rome reports declare this has already been ne-

Hard fighting marked the last few days along the French front in Northern France, which still continues.

Last night the Germans made a desperate attempt to regain an important observation post list to the French Saturday night when they took the strongly fortified position in the vicinity of the principal hotels of the city. His Mont Hautemont and Teton in wife is sad to have relatives in Virthe Champagne. The attacking ginia. They had been married twenforces were able to make no im- ty years. pression on the Teton position and at Mont Hautemont recovered only a narrow foothold on the edge of the disputed ground.

The French in local operations made some progress south of Ailles on the Ainse front and repulsed several strong attacks near St. Quentin and south of Codeny.

On the British front only raiding operations and artillery and airplane activity are reported.

## RUSSIANS MAKE A GREAT ed to attend. Plans will probably be CAPTURE.

Petrograd, July 16.—The Russians yesterday captured 16 officers and 900 Austri-Germans in the fighting in Eastern Galicia. says the official statement issued by the Russian war department, dence, on Second street. This outing is proposed to continue the drilling The Russians alsi took a number is expected to be largely attended. of machine guns.

From July 1st to 13th the state it says, 834 officers and 35,809 that wheat would be brought under absolute government control kept
