## A Chiropractic Talk

The SPINAL NERVES are rooted in the spinal cord; they spring from it. The Anterior (front) and posterior (back) roots form a nerve called the trunk which does not branch until after it leaves the spinal canal. This mixed trunk named the spinal nerve contains afferent and efferent nerves. Upon its exit it divides into four branches and thru its channels, Innate Intelligence forwards its impulses to and from the vital organs and the vascular system. CHIROPRACTIC is the SCIENCE of locating and adjusting PRESSURE from nerves. Every organ in the body is controlled by impulses from the brain which are transmitted thru nerves. Pressure interferes with its transmission. DISEASE IS THE EXPRESSION OF AN IMPULSE SO INTERFERED WITH. NORMAL IMPULSE EXPRESSES HEALTH.

#### BIG ODD FELLOWS NIGHT.

Home Coming in New Lodge Quarters Tomorrow Evening—Addresses to be Made by Rev. Dr. Thomas and P. S. Carlton, Esq.

Local Odd Fellows are anticipating a great time tomorrow night when Cordon Lodge No. 168, Independent Order of Odd Fellows, holds a big Home Coming meeting in the new and handsome lodge quarters on the third floor of the Peoples Drug Store building, the same beginning at 8 o'clock.

To this meeting all men who belong to the order at present or who have been members of Cordon lodge in the past, whether in good standing or not, are cordially invited and all visiting Odd Fellows are asked to attend.

Addresses will be made by Rev. Dr. C. A. G. Thomas, P. S. Carlton, Esq., and others, and refreshments will be served. Mr. R. M. Leonard is chairman of the arrangement committee and is assisted by Messrs. J. P. Cathey and W. A. Fogleman.

#### YADKIN TRAIN HITS CAR.

Incoming Morning Train Struck a Freight Car Near the Salisbury Cotton Mills—Glass in Windows Broken and Passengers Jarred.

The incoming Yadkin train met a slight accident in the south Salisbury yards this morning when it bumped into a freight car that had been left standing on the Yadkin track near the Salisbury Cotton Mills. The engineer saw the blocked track in time to slow down. However, the Yadkin engine struck the freight car with sufficient force to knock it some distance, break quite a number of glass in the Yadkin cars and jar up the passengers. No one was hurt to any extent. One man had a wrist slightly sprained and one boy received a knock on his head, and several passengers who were standing in the aisles were knocked down. A delay only a few minutes was occasioned.

#### NATIONAL SPEAKERS SECURED

Judge Moyle and Charles Whitehair, Principle Speakers at the War-Savings Institute—Kavanaugh and Marx to Conduct Conference.

Winston-Salem, Feb. 10.—Four speakers of national prominence, Judge J. H. Moyle of Washington, J. E. Kavanaugh of New York, Charles W. Whitehair, and Otto Marx of Birmingham, have been secured for the War-Savings Institute, that will be held in Raleigh, February 12 and 13, announced Col. F. H. Fries, State Director, today.

Judge Moyle is Assistant Secretary of the United States Treasury and has been active since the beginning of the war in America's part of financing it. He is one of the originators of the thrift movement and the War-Savings Stamp plan and brings to the people of the State a message of weight and importance. Judge Moyle speaks at the Mass Meeting Tuesday night.

Mr. Kavanaugh is vice president of the Metropolitan Life Insurance Company, whose services in organizing national concerns of the states in the War-Savings work, the Company has given the Government for the period of the war. He will address the Institute Wednesday morning.

Mr. Whitehair of New York, who for three years has been a Y. M. C. A. worker with the armies of the allies in France, in Egypt and in Palestine, not only knows conditions as they exist on the scene of action, but has the power to make others know them. Since Mr. Whitehair's return to America, he has had no superior in thrilling his audiences and arousing them with patriotic fervor. He is the first speaker of the patriotic meeting for Tuesday night.

Mr. Marx is Federal Director of the National War-Savings Committee of the Southern States including Maryland, British Columbia and Panama. He will conduct the workers' conference to be held Wednesday morning at 10 o'clock.

In addition to the foregoing speakers those attending the Institute will have the privilege of hearing Col. T. B. FeAdams, State Director of Virginia; Judge Gilbert T. Stephenson, Director of Service; Governor T. W. Bickett; Dr. J. Y. Joyner and Col. F. H. Fries.

Special music by Raleigh's best singers and musicians will be an additional feature. The public is cordially invited to attend all the meetings, particularly the Patriotic Mass Meeting, at 8 o'clock Tuesday night.

Chairman Foust, of Guilford county, has issued a very beautiful folder containing brief and explicit information in regard to War Savings Stamps. Several copies were sent to the National Committee and such action on the part of the County Chairman was heartily approved by Mr. Vanderlip.

#### WILL PREVENT TYPHOID THIS SUMMER

State Board of Health Plans Summer Campaign Encouraged to Further Prevent Typhoid Fever.

The state board of health announces that it will conduct this summer another campaign against typhoid fever, and that as probably this work can be done in only ten counties this year, the counties to be chosen first will be those in which this feature of health work has not been done before. D. T. M. Jordan, who will have charge of the anti-typhoid work under the direction of the board, is now lining up his counties and making his plans preparatory to starting the campaign about April.

The plan adopted for the campaign this year is that the county cooperate with the state to give free anti-typhoid treatment to all the people of the county, but the county appropriating a sum of \$500 or paying twenty cents per capita for the number of persons receiving three full treatments. The board will furnish physicians or trained nurses for a four weeks' itinerary of the county which will have been mapped out previously and thoroughly advertised through the local press and handbills. Local physicians will be used whenever possible for administering the vaccine. The board will furnish, also, competent persons for a week of preliminary lecturing at various points in the county for the purpose of explaining the treatment and urging the importance of preventing this disease. In addition to taking all responsibility for the advertising, the board will furnish the vaccine and all antiseptics and disinfectants necessary for proper treatment.

The state board of health is encouraged to continue the work of typhoid prevention through the reductions that have been made in the state's death rate from typhoid fever within the last three years—the time this work has been done by the board. While less than 10 per cent of the people have been given this preventative treatment, the death rate from typhoid fever has decreased over 20 per cent.

AT THE TABERNACLE.

Union Service Sunday Evening—Father and Son Service Next Sunday Evening.

The tabernacle was practically filled at the union service Sunday evening at which time the sermon was by Rev. C. C. Wagoner, pastor of Faith Reformed church.

Mr. Wagoner took his text from Malachi and got splendid lessons of Christian conduct from the words of the old prophet. He found in the text three marks that distinguished the people of God in the time of Malachi and emphasized the needs of these same marks in the present time. They were: "They feared the Lord," "They spake often to one another," and "They thought upon His name."

The union service next Sunday evening will be at the tabernacle and will be especially in the interest of the Father and Son movement. Every father is urged to bring a son and every boy is urged to bring a father to the service. The address of the evening will be by a visiting preacher, a camp pastor from Camp Greene, Charlotte.

First One for the Year to be Held by Dr. J. C. Rowe Tuesday Evening—Worker's Council Friday Evening.

The first quarterly conference for the year for the First Methodist congregation will be conducted by Dr. J. C. Rowe Tuesday evening at 7:30 at the tabernacle.

The Worker's Council, composed of all the officers and teachers of the First Methodist Sunday school will meet at the superintendent's home on South Fulton street Friday evening at 7:30 o'clock.

The First Methodist congregation added another service star to their flag yesterday.

#### NEW ITALIAN GUNS READY FOR ASSAULT ON GERMANS

The new spirit infused into the Italian army since the debacle of Oct. 23, 1917, is well illustrated here in the new 202-millimetre anti-aircraft

guns ready to move on the Germans. Hundreds of these guns on motor trucks have been rushed to the front since the Germans took most of the

modern guns of the Italians. They are said to be powerful weapons which make flying over the Italian lines very hazardous.

HOUNDS FIND STOLEN MEAT.

Dogs of Officer L. D. H. Brown Called to Rex Grove Church Section Where Smoke House Had Been Entered.

Officer L. D. H. Brown was called to a section of the county near Rex Grove church, below Shuping's mill, Sunday morning with his bloodhounds to trace parties who had broken into a smokehouse in that vicinity and stolen a quantity of meat. The dogs got a trail and located a large piece of meat in the woods and then followed the scent to a negro house. This was searched but no meat was found. However, it is believed a party living or staying at this house was the one entering the smokehouse and carrying off the meat, and while no arrests were made the officers believe they know the guilty party and are still working on the case.

#### CAPT. FLOWERS TO TEXAS.

Local Head of Salvation Army Leaves in Quest of Restoration to Health—May go to New Mexico.

Capt. Flowers, who for some months has been in charge of the Salvation Army work here, left last night night for El Paso, Texas, and may possibly go to Albuquerque, New Mexico. Capt. Flowers has been a sufferer from lung affection and goes to the far southwest in quest of health. He has a wife and three children. Capt. Flowers has made many friends since coming here and has been doing a splendid work with the local organization and it is the wish and hope of all that he may be speedily restored to perfect health.
