

Watch Your Blood Supply, Don't Let Impurities Creep In

Pure Blood Means Perfect Health.

The average druggist has handled hundreds of medicines in his day, some of which have long since been forgotten.

But there is one that has been sold by the druggists throughout this country, for more than fifty years, and that is S. S. S., the reliable blood

medicine, that is purely vegetable. Many druggists have seen wonderful results accomplished among their customers by this great old medicine, and they know that S. S. S. is one of the most reliable blood purifiers ever made. Keep your blood free of impurities by the use of this honest old medicine, and if you want medical advice, you can obtain same without cost by writing to Medical Director, Swift Specific Co., 28 Swift Laboratory, Atlanta, Ga.

What is Spring Fever

It is simply low Vitality, a lack of Energy caused by impure blood.

At this season of the year, Nature is trying to throw off the impurities and this condition usually makes the body very weak.

A Good Blood Tonic just at this time brings relief and is a great help to Nature.

Grove's Tasteless chill Tonic

is made for that purpose; it contains just what the Blood needs, IRON and QUININE, in a form acceptable to the most delicate stomach. It purifies and Enriches the Blood and you can soon feel its Strengthening, Invigorating Effect. 60c per bottle.

PARIS FINDS THE SITUATION BETTER

Reports of Tuesday Night Indicate a Better Situation in Face of the Fierce German Drive Against the Allies.

Paris, May 28.—The situation tonight is more reassuring. The latest advices from the front show that while the violence of the enemy's effort as yet is unabated he is only making headway on the center and that even there the German momentum is giving signs of slackening up. The allies are beginning to react with effect on the wings.

AT LEAST 25 GERMAN DIVISIONS ENGAGED

With the French Army in France, May 28.—(By the Associated Press)—At least 25 German divisions were in the attack and forced farther back the few French and British divisions holding the line.

Tanks, machine guns and poison gas shells were the principal factors in the successful advance, aside from the numerically superior forces of the Germans.

Notwithstanding the smallness of the allied armies, they did their utmost to stay the immense push of the enemy troops, ten times their number. The German advance, which was one of the most rapid since the beginning of the war, could not be held, however, as wave after wave in dense lines came forward.

The western allied flank has maintained its position well, and reserves are hurrying toward the danger point of the greatest advance.

The retreat of the French and British was made in orderly fashion, the troops destroying their materials as they left or taking it along with them. The army staff still retains the fullest confidence in the outcome of the battle.

GERMANS DRIVE WEDGE INTO ALLIED LINE ON A FRONT OF 25 MILES

French Reserves Are Arriving—Ground Lost Which Was Gained in Great Struggle by French Last Year.

London, May 28.—The reports from the battlefields of France tonight, both official and unofficial, show that the allies have again suffered a setback, whereby they have lost all the ground in the Chemin des Dames region so gallantly won by the French in the great struggle from April to October, 1917.

The enemy has driven a wedge into the allied line on a front of some 25 miles or more and reports say a tremendous battle was still continuing about Fismes which is the center of important allied communications. French reserves, however, were arriving to contest a further enemy advance at this point.

Up to the present, according to the German claim, 14,000 prisoners have been taken. It is still uncertain whether the Germans intend this attack as a resumption of their full scale offensive. The fact that only 20 to 25 divisions have been engaged is held to indicate that it was not a main attack, but was originally to attract allied forces from before Amiens and that the major operations would be attempted elsewhere.

GERMANS CLAIM 15,000 PRISONERS CAPTURED

Berlin, via London, May 28.—The official report from headquarters says that up to the present 15,000 prisoners have been taken.

IF HAIR IS TURNING GRAY, USE SAGE TEA

Here's Grandmother's Recipe to Darken and Beautify Faded Hair.

That beautiful, even shade of dark, glossy, hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses "Wyeth's" Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous. This ready-to-use preparation is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

FOUR MEN KILLED IN AN EXPLOSION NEAR WILMINGTON

Boiler at Hammer Lumber Company Blows Up With Fatal Result—Several Men Badly Scalded.

Wilmington, May 28.—Four men were killed and several others badly scalded late yesterday at the Little River plant of the Hammer Lumber Company, 55 miles from here, when a boiler exploded, wrecking the building in which it was housed, according to meager information received here by officials of the company today.

The boilers of the mammoth plant are housed in separate buildings and the explosion did not necessitate the closing down of the plant. Letting cold water into a steam filled boiler was said to have caused the explosion. Because of the plant's isolation, details are yet lacking.

GLAD TO TESTIFY

Says Watoga Lady, "As To What Cardui Has Done For Me, So As To Help Others."

Watoga, W. Va.—Mrs. S. W. Gladwell, of this town, says: "When about 15 years of age, I suffered greatly. . . Sometimes would go a month or two, and I had terrible headache, backache, and bearing-down pains, and would just drag and had no appetite. Then . . . it would last . . . two weeks, and was so weakening, and my health was awful.

My mother bought me a bottle of Cardui, and I began to improve after taking the first bottle, so kept it up till I took three. . . I gained, and was well and strong, and I owe it all to Cardui.

I am married now and have 3 children. . . Have never had to have a doctor for female trouble, and just resort to Cardui if I need a tonic. I am glad to testify to what it has done for me, so as to help others."

If you are nervous or weak, have headaches, backaches, or any of the other ailments so common to women, why not give Cardui a trial? Recommended by many physicians. In use over 40 years. Begin taking Cardui today. It may be the very medicine you need.

A LITTLE GIRL

WHO NEVER KNEW THE JOYS OF CHILDHOOD HER DAYS WERE DARK AND THE LAUGHTER OF CHILDREN STOPPED IN HER PRESENCE

Happiness is the heritage of every child. Nature intended that children should romp and play and that their smiling faces should brighten the home and gladden the heart of all with whom they come in contact. There is nothing so pitiful as a child whose life has been darkened and the golden hours, which mean so much to a normal, healthy child, are made dull and miserable by disease and pain. That is the story of little Sallie Phipps, daughter of Mrs. C. R. Phipps, 227 South St., Durham, whose sufferings were known to every child in the neighborhood and aroused their deepest sympathy. Here is Mrs. Phipps' account of how her little girl's life was brightened:

"The first bottle of this remedy brought a great change and I was soon delighted to find that she could eat solid food without distress. Now she is gaining in weight and strength and is altogether a different girl. Her system is free from pellagra, the sores have disappeared, she plays with the other children and is as happy as any child could be. It is needless for me to say how grateful I am to Peplac for having rescued my little girl."

This great constructive tonic is sold and recommended by the following leading drug stores in Salisbury: Smith Drug Co., Man Pharmacy, Empire Drug Store, S. M. Purcell, and may also be obtained in Spencer at H. M. Cooke. Buy a bottle today, it will do all that is claimed for it.
