Big Rochester Wholesaler Cuts 33 1-3-Offered Cheaper at Chicago Convention.

(By The Associated Press) Rochester, N. Y., Nov. 9.—A re-duction of 331-3 per cent in the wholesale price of clothing is announced by one of Rochester's largest clothing manufacturing concerns.

The reduction is effective from November 1 and applies to all suits and overcoats. It is said, the reduction which is in addition to the usual cash discount of 7 per cent represents a cut of from \$33, the opening of the fall wholesale prices, to approximately \$20.

Men's Clothing Cheaper Chicago, Nov. 9.—Men's clothing

for immediate delivery was offered buyers today at prices from 10 to per cent below the present The prcie for which the prices. goods were shown were approximately 10 to 33 1-3 per cent under those of a year ago, and men's shirts and similar articles were shown at greatly reduced prices at the opening of the 13th semi-annual buying convention of the Untied Clothiers. The convention is being attended by retail clothing delegates from 17 Middle Western and Western states, and takes the form of a huge display of made up garments.

"The public is not buying; manufacturers and dealers are overstocked," said W. L. Mohr, treasurer and general manager of the association today. "The price must come down, we have passed the peak in the high price of wearing apparel. Men's clothing will be considerable cheaper from now on; the retailer can afford to sell for less for costs are becoming lower."

SUGAR TAKES A TUMBLE TODAY ALONG WITH OTHER COMMODITIES

NEW YORK, Nov. 9 .- Stgar dropped to 61-4 cents pound, a new low ground for the season, in the sugar market here today. The price reflected a heavy slack in the demand and is a loss of more than 17 cents from the highest of the season's quotations last May. Trade was dull.

Wheat Under \$10, First Time in Four Years

MINNEAPOLIS, Nov. 9 .- For the first time in four years flour sold under the \$10 a barrel mark at the mills here today. Quotations on family patent broke 35 to 75 cents today, making today's ranges of prices \$9.65, asked \$10 a barrel. Yesterday's sharp decline in wheat was given as the cause.

(By The Associated Press) Washington, Nov. 9.—America trol and operation of railroads unaccompanied by state and federa: regulation chairman Clark of the Interstate Commerce Comimssion declared today in an address to the opening session of the 32nd annual onvention of the national association of railway and public utili-

es commissioners. "Even if we shall not come to government ownership and opera-tions" added Mr. Clark, "the neces-sity for a separate tribunal with jurisdiction to determine questions of the reasonableness of charges and alleged discriminations will be present.

When the final balance sheet ples. shall have been completed, it will be found that the American peo-

ple paid handsomely for the use and operations of the railroads during the war but as such use and JACUDA operation was essential as a war measure, we must, then in fairness, consider it as part of the necessary expenditures of the war."

Chairman Clark declared that the ight of the states to regulate their internal affairs was recognized

thruout the transportation act and he urged co-operation between the staes and federal commission as authorized by the law.

RECORD COAL OUTPUT.

New Maximum of 12,338,000 Tons Hard Coal Production Decreases. Washington, Nov. 9 .- Soft coal production for the week of Octo-ber 30 was 12,338,000 tons, a new maximum for this year, figures made public today by the United States Geological Survey show. For four consecutive weeks the daily output has averaged better than 2,000,000 tons, the longest period on record of sustained output at that rate except during the summer of 1918.

Anthracite production during the same week was 1.696,000 tons, an increase of 219,000 tons from the preceding week. This was due, it was said to observance of the Mitchell day holiday, October 29, commemorating the settlement of the great anthracite strike of 1902.
