down by Jesus Christ. Ernest Liceberger, president of the North Carolina Lutheran league, was heard in the interest of that work. The budget for the church work for the synod for the coming year was adopted. The budget shows an obligation per capita of four dollars. Rev. A. Morris Link, fraternal delegate from the Virginia synod, brought greetings from that synod to the North Carolina Lutherans. Other speakers on the work of the synod were Dr. W. H. Groover, president of southern Lutheran seminary at Columbia, S. C.; Rev. L. S. D. Miller, missionary to Japan, who told of the work in that field; and Dr. J .L. Seiber, of the orphan's home.

The statistician reported that the per capita contribution of this synod for benevolence during the last year was \$1.400. The amount placed for the coming year for synodical purposes is \$64,000. The canvass for this sum, along with the amount for current expenses of the individual congregation, will be made during Thanksgiving week.
