This is Valentine's day.

Fresh Oat Flakes just received at Bennett Bros.

To the great surprise of everybody there was a snow last Monday morning. It had all disappeared by 11 o'clock.

Read our new advertisements this week. We have not time to call attention to each of them separately, so ask you to read them all.

The Legislature has enacted a law extending the time for the payment of State and County taxes to the first of May in each year.

The bodies of eight men, evidently killed in a fight, were found at the mouth of an abandoned mine in Wyoming Territory.

Thanks will be tendered to any of our readers who deal with our advertisers, if they will kindly mention the fact of their reading the advertisement in these columns.

Senator R. E. Little spent last Sunday in Wadesboro, and returned to Raleigh Monday morning. He is looking well, and his friends were glad to see him.

We are informed that Raleigh proposes to offer twenty-five thousand dollars as an inducement for the removal of Trinity College to that city.

The thrifty farmer is now bestirring himself preparing for the coming crop. Much is to be done at this season of the year, and it neglected now it will tell in the crop later on.

Let the farmers start out with the fixed determination to grow at home this year, as many of the necessities of life as possible. To be truly prosperous they must sell more and buy less, and keep out of debt.

Dr. D. B. Frontis who has been living here and practicing his profession for about five years, has decided to remove to Johnson, S. C., Dr. Frontis is one of our most liberal and public spirited citizens, and the town will suffer a great loss in his removal.

Col. Charles R. Jones, of Charlotte, whose insanity was mentioned by us last week, died last Saturday. Col. Jones was for many years editor of the Charlotte Observer, and was for a long time prominent in all of Charlotte's enterprises.

Mr. T. B. Meachum, Jr., of Pineville, has accepted a situation with Messrs. E. A. Covington & Co., and can be found at their store at all times. Mr. Meachum is a skilled druggist, and comes to Wadesboro highly recommended as a gentleman.

Messrs. A. T. and W. W. Morgan, who lived near the Union county line in Anson county were tried last week in Monroe for killing a negro in Laneboro township Union county, about a year ago. The Judge charged the Jury that there was not enough evidence to convict, hence a verdict of not guilty was brought in and the prisoners were discharged.

Last Friday while a Palmer Manufacturing company barrel car, which is considerably higher than the ordinary freight car, was passing the depot hotel the top of the car came in contact with the eave of the house, breaking it off from one end of the building to the other, and demolishing several chimneys.

No finer opening is offered anywhere for a fruit and vegetable canning establishment. The soil and climate are favorable to the growth of all kinds of fruits and vegetables and large quantities are produced annually. We want these put in the proper condition for preservation for winter use. There is demand enough at home to consume the output of a small canning factory.

The bill referred to by us last week giving the appointment of the cotton weigher for Wadesboro, to the county Commissioners instead of the town commissioners has passed both houses of the Legislature and is now a law. The bill also empowers the county Commissioners to appoint all the public weighers of the county, hence, the weighers for Morven, Lilesville and Polkton will hereafter be appointed by them.

If a town is boomed the boom must be begun by its own citizens. Once started, foreign men and capital come to it. Few men care to help another when he is down in the world, but let him be reputed a man of wealth, and plenty there are ready to do him a favor. And so it is more or less with towns. Let a place be dragging along and few people care to stop there or invest capital; but let it be booming at a lively rate and see how many flock to it from outside. Let us then get on a full head of steam, bent on building up busy, bustling, booming Wadesboro.

Mr. W. W. Atkins, formerly a citizen of Wadesboro, but now residing in Concord, is visiting his friends in town this week.

Died, near Cheray, S. C., on the 8th inst., Mrs. L. H. Covington, aged about 37 years. She leaves a husband and several children to mourn her loss.

The Supervisors and road overseers of Guilford township are earnestly requested to meet at Bethel at two o'clock, p. m., on Saturday, the 23d of February, 1889.

S. T. FLAKE, Clk Board.

Dr. J. T. J. Battle has again entered the active practice of his profession, and in a card this week offers his professional services to the public. Dr. Battle has practiced in Wadesboro before, and his former patients and friends will be glad to hear of his return to the active duties of his profession.

Dr. J. M. Duplap, of Ansonville, and Dr. S. B. Carpenter, of Cedar Hill, have formed a partnership for the practice of medicine, their card appearing elsewhere in this paper. Both of these gentlemen graduated from the Medical Department of the University of the city of New York in 1876, and have been in active practice ever since. They are too well known to need any word of commendation from us.

Mr. Clem E. Richardson of Lilesville, and Mr. Thos. R. Richardson, of Joe Dee, are brothers. Last Thursday the first named of them had a horse to run away and throw him from his buggy badly spraining his ankle. On the same day the latter was driving a two horse wagon and while crossing the railroad, was thrown out striking the track on his back, severely injuring him. Both are doing well at this writing.

The series of meetings being held at the Baptist church this week are attended by large and interested congregations. Rev. Mr. McManaway, of Charlotte, arrived in Wadesboro last Monday, and has preached every night since. Much interest is being awakened, and it is hoped that many souls will be brought into the fold ere the meeting closes. The meetings will probably continue throughout next week.

We received a very pleasant call from Mr. Robert Hadyn, editor of the Charlotte Chronicle, last Tuesday. The Chronicle under the present mail arrangement reaches Wadesboro about 12 hours earlier than any other daily, and is consequently the most valuable paper our business men can take. We are glad to learn that Mr. Hadyn received a liberal patronage here, adding a goodly number of names to the Chronicle's subscription list.

Married. BOYLEN-Blair-In Monroe, on the 12 inst. by Rev. P. R. Law, Jas. G. Boylin, of the MESSENGER AND INTELLIGENCER, to Miss N. DeLuxe Blair.

Dots From Morven. The days are lengthening. Jack frost still lingers around while Gen'l Greely too often predicts cold waves for us; yet our pine bark cottages, that the Yankees once said the southern man inhabited, still holds good and seem as equally trustworthy as their gilded palaces.

Our little city is still growing and we greet with joy the many bright faces that we meet from Chesterfield county, S. C., and other counties, as Messrs. J. M. Hardison & Co. are able to offer them prices on corn and bacon as low as can be purchased in Charleston and Wilmington markets. They purchasing it at first hands by the car load from Chicago and Louisville. Messrs. Mosley & Pratt are also buying bacon by the car load from foreign markets, and can sell as low, or lower, than Charleston or Wilmington markets.

The young ladies of the Methodist church, under the guidance of Miss Stephenson and Miss Barnhart, contemplate giving a series of Tabernacles soon. The proceeds accruing to be given for the benefit of the Church to purchase carpets, lamps, &c. Evenings appointed for the entertainments will be advertised as soon as they are ready, and we hope for a full attendance, as the object is a just and good one.

Major Earl Martin is sick with the measles, but it is to be hoped that he will soon be out and able to drive his goats again.

Our authorities, we are glad to see, are replanting beautiful elm trees all over the city, and ere long, when the visitors from afar come in search of our all healing mineral waters, they will enjoy with us our delightful shades.

We were glad to see Dr. Maynard, of Cairo, in the city a few days ago. The Dr. is in fine health and spirits, and we hear he has purchased land, and is building a beautiful residence near Cairo. We think ere long the next thing in order will be Mrs. Dr. Maynard to reside.

Miss Ila Fenton, one of Wadesboro's pretty girls, visited Mrs. Jno. M. Braxington last week.

Messrs. Hardison and Martin have and are shipping a quantity of cotton from this point.

Pat, and Junius, we have shipped about two thousand bales from this point this season. How is that for a shipment!

Messrs. J. E. Moore, M. C. Watson and C. H. Dupo, are all receiving a new supply of goods.

Proceedings Board of Education.

The Board of Education of Anson County met last Saturday and Monday and settled with the Sheriff, and apportioned the school fund for 1889. The total amount of the school fund paid in by the Sheriff was \$5355.60. To this was added \$842 that remained in the hands of the county treasurer from last year, making in all \$6197.60. This amount was apportioned on a basis of 6987 children, of whom a little more than half are white, amounting to 87 cents per capita.

The following exhibits the apportionment of the fund among the various districts of the county:

Table with 4 columns: DISTRICT, WHITE, APPOR., COL., APPOR. Lists districts from No. 1 to No. 54 with corresponding white and colored population and apportionment amounts.

\$339 3096 33 34 22 2977 14

The following motion was made and unanimously carried:

Moved, That the Board of Education hereby petition the Board of Commissioners for four thousand dollars additional school fund, to enable them to maintain a four months school for the ensuing year, in accordance with Section 3590, school law of the State of North Carolina.

Ansonville Circuit.

The following report was submitted to the first Quarterly Conference for Ansonville circuit and by resolution the Presiding Elder was requested to have it published:

The conference year which but recently closed, was a prosperous and happy one for the Ansonville circuit. Nearly all of the churches were represented at the Stewards' Meeting at Ansonville, Nov. 22nd. We all rejoiced over the fact that 43 names had been added to our circuit register; that we had a membership of 545; that our members were 100 persons had died during the year; and none of these officials or especially active members; that we had 488 officers, teachers and pupils in our Sunday Schools, or 89 per cent of the entire membership on the circuit; that every church on the circuit was doing something in the way of material improvement; that the sum of \$1,024 25 had been raised an expended for church building and improvement; that every claim against the circuit had been paid in full except that of Church Extension; and that the pastor could leave at any time before Conference met with his salary paid in full and enough over to pay his expenses to Conference.

For all purposes we raised during the year a total of \$2,322 31, being an average of \$4 25 per member. We rejoiced and thanked God that, notwithstanding droughts and freshets and hard times, we sent up the best report ever made from this circuit.

Immediately upon the adjournment of conference, without taking a vacation, the pastor returned to his charge, and has conducted religious services at each of the six churches. Every where he has received a welcome that has drawn his heart nearer than ever to the people of this charge. The same faithful men and women who for three years of sun shine and shadow have stood by him and held up his hands seem earnestly disposed to cooperate with him in the effort to make this fourth and last year the most fruitful year of his ministry among them. With the divine aid and guidance, during the year 1889, we mean to go forward and not backward. Notwithstanding the fact that we have given to the Rocky River Mission, this year, three of our churches and 101 of our members who paid for church purposes last year \$201 34, our stewards have generously resolved to pay their pastor the same salary as before. The work of church improvement which we began last year will be continued.

Polkton church is building a belfry and getting ready to paint. They have about \$150 on hand for painting and other amounts to be added. A Ladies Aid Society has been organized in this church which promises to be fruitful of good work.

At Hopewell the brethren are taking too long a breathing spell. They put up blinds, but have not begun cooling or painting yet.

At Ansonville we have expended \$33 45 for chandeliers, and have about \$115 00 on hand for painting, which will be begun early in the spring. The credit for this is largely due to our lady members.

Concord church has been moved since our last Quarterly Conference at a cost of \$50 00, and will be otherwise improved.

Mount Vernon church is making needed repairs.

The new church at Cedar Hill is nearing completion and will be an ornament to the neighborhood and a monument to the liberality of its projectors.

Wightman needs a larger church for the increasing congregation which worships there, and we hope to hear soon of steps being taken in that direction. Respectfully submitted, M. H. MOORE, Pastor.

Our Charlotte Letter.

CHARLOTTE, N. C., Feb. 13, '89. Poor Charles R. Jones' Death came and saved him from the mad house. Col. Jones died at his home here last Saturday afternoon and his body now lies 'neath the cold sod of Elmwood Cemetery. He was buried Sunday, and his funeral was one of the largest attended ever known here. Col. Jones was a prominent Mason and he was buried with the honors of that fraternity. The Knights of Honor also attended in a body.

Now that Col. Jones is dead, no one has ought but good to speak of him, and everybody agrees that in his death Charlotte loses the man who has done tolling and lasting good for the city. May his rest be the rest of the good!

Mr. J. L. Hayward, who was last Wednesday married to Miss Hattie DeBerry, of Montgomery county, came up to Charlotte Wednesday and remained over until Monday enjoying their honeymoon. They left for quite a trip South. Mr. Hayward was the happiest man in Charlotte while here, and says he wants to see the man who says marriage is a failure.

The Criminal Court is in session here but there are no important cases on the docket.

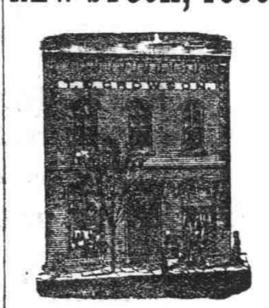

Burglars are getting to be monotonous of late, and it is really risky to close your eyes in sleep these nights. Strange the police cannot do anything.

A light snow fell here Monday morning. CLAUDE.

Died. At her home, near Lilesville, Feb. 8th, 1889, Annie J., youngest child of Jas. A. and O. A. Smart, of typhoid pneumonia. Little Annie was an unusually bright, sweet child. The pet of her home, and a favorite with all her neighbors.

Though only two years of age, her chief pleasure was going to "Bunny Cool" and learning the lesson with her sister. Her sufferings were intense, and the only smile seen on her face, for two weeks, was when the Angel came to take her home. Weep not, fond parents, and little sister, for she awaits you in Heaven, a bright little Angel. A FRIEND.

OR SELL.

Come Now,

Let Us Reason Together

When the easiest way to do a thing is also the best way, it is not very wise to do it some other way; for by that some other way you put out more time and labor, and get less result. Now, I claim that the easiest and most satisfactory way of finding where the "CHEAPEST," "BEST IN QUALITY" and "MOST STYLISH" goods are to be had, is to send in your

"Trial Order."

Representing H. BARUCH, he do not claim to be matchless as to numberless of novelties, and that his styles have never been shown in America before. He doesn't tell you that he has the finest line of Satens and Gingham to be found in the State of North Carolina. He doesn't tell you he can save you from 10 to 15 per cent on all goods you buy from him, all of which you are obliged to see would be rather broad assertions, but he does promise that all orders my customers and friends of the past, shall favor me with in the future, shall be so filled as to defy competition in Charlotte, and as is well known, he hasn't the reputation of being the "HIGHEST PRICE HOUSE" in the city, and I myself, having had some experience with other houses in the place, can vouch for same. I am having a large order business now, and in the future (as heretofore) I will fill all orders with discretion and promptness.

"THE HABERDASHER"

is receiving SPRING and SUMMER goods daily, and will have a fine and beautiful line from which to fill all orders from my gentleman customers. Hoping to hear from you all. You are truly, JULIAN H. LITTLE, 25th South Tryon St., Charlotte, N. C.

The CASH SYSTEM, what of it? It is the outgrowth of the excessive system of Mercantile Credit. It is coming. We told you when we entered business in Wadesboro that we intended to reduce the system of

MERCHANDISING TO DOLLARS,

and give Consumers in all lines the

HIGH PRICES!

We are proud to say we have done everything possible to inaugurate a system of DOLLARS in this and adjoining Counties. We have always told the people to keep out of the Credit system. We were determined when we entered business to
