LETTERS THAT KILLED.

Notable Instances in Political History of Mistakes by Ready Writers.

t Louis Globe-Democrat.

"Killed by a Letter" is a signifiant heading of an Havana newspaper over an article telling of ex-Minster de Lome's fall. This legend would be an appropriate epitaph over the political graves of many public men. The rivalry between Hamilton, the leader de facto of the Federalist party, and Adams, the leader de jure, incited Hamilton's etter during the campaign of 1800, arraigning Adams, which was one of the causes of the rupture and overof Jefferson and the Democracy. Hamilton's letters attacking Burr were the cause of the duel in which Hamilton lost his life. Jefferson's letter to his old neighbor, Mazzet, in 1796, in which, by pretty plain implication, he traduced Washington and other men whom the American people honored kept Jefferson denyng and explaining for many years. his historic letter to Van Bnren, on this subject, having been written shortly before his death, and twentyeight years after the Mazzet epistle was penned. The preservation and ish cruisers and privateers, but if shut assaults on the memory of Hamilton out from Cuba and Porto Rico they also and other eminent men, showed an for them, and perhaps the orator should had been taken by the English under selves safe from danger it is almost im excuses which accuse.

Raleigh Press-Visitor.

"Do you think there will be war between Spain and the United States?" a reporter asked Mr. P. C. Ennis yesterday. "No," replied Mr. Ennis, "not from

"When will this happen?" was the next question asked.

The reply was that it would be in less he believes the Word of God, for he says that as he reads the Bible this is The defense is described by historians as Today the disease is little dreaded, and clearly taught: "But after this great

Newspaper Humbuggery.

Monroe Enquirer. When a man says that he is running a newspaper solely for the "dear people," and not for his own interest, he simply lies. Publishing a newspaper is a business just as much as running a farm, a grocery store or a factory is a business, What would you think of the truthfulness of a farmer who would claim to be running his farm for the benefit of the community and not for his own interest. You would brand him as a liar or a fool. or perhaps both. And yet, the, farmer who claims to run his farm for the benefit of the community and not for his own interest is no bigger liar than the editor who claims to be running his paper solely in the interest of the dear people. An editor owes the "dear people" the high duty of giving them full value
