## SIN.

BY REV. GEGRGE D. HERMAN, PASTOR OF ANSONVILLE CIRCUIT.

And, first, let us notice some things the holy Book has to say on this subject. "He that committeth sin is of the Devil." That is hard on the sinner, but the truth that even a fool may understand. In this world there are only two families: God's family and the Devil's family. "He that committeth sin" belongs to the Devil's family, and he that "doeth righteousness" is of God's family.

What is sin? We are told in the Book, Whose law? God's eternal, unchangea that can make any man or angel a sinner:-and that one thing is the willfu disregard of God's law, which is "holy, man breaks any, the least, of God's com- der to maintain the cause of justice and mands, then and there, that man becomes humanity, still the matter calls for some a sinner.
