Now, therefore, in accordance with the foregoing resolution, the Democratic State Executive committee hereby makes Governor Roosevelt spoke that the the following provisions for holding said Senatorial primary:

nals composing the great multitude First. The said primary shall be held on the first Tuesday of November next, at or near the places where the general election for Presidential Electors and

Does Your **Baking** Powder Contain Alum ?

Prof. Geo. F. Barker, M.D., University of Penn.: "All the constituents of alum remain (from alum baking powders) in the bread, and the alum itself is reproduced to all intents and purposes when the bread is dissolved by the gastric juice in the process of digestion. I regard the use of alum as highly injurious."

Dr. Alonzo Clark: "A substance (alum) which can derange the stomach should not be tolerated in baking powder."

Prof. W. G. Tucker, New York State Chemist: "I believe it (alum) to be decidedly injurious when used as a constituent of food articles."

Prof. S. W. Johnson, Yale College: "I regard their (alum and soluble alumina salts) introduction into baking powders as most dangerous to health."

In view of such testimony as this, every care must be exercised by the housewife to exclude the over and over condemned cheap, alum baking powders from the food.
