# Watch Ansonville Wake Up

After a quiet and undisturbed slumber of 50 years, Ansonville is rubbing the sand out of her eyes and waking up, and something is going to happen around her soon. The queen of the Pee Dee section is going to take her deserved place among the prosperous, enterprising, wide awake towns of our state and step lively to the front. If you want to share our prosperity and enjoy our beautiful location and climate, come, get on the ground floor and help us push to the front.

In the most desirable part of this place I have 500 Lots that I am going to either sell or give away to actual settlers

The Southbound railroad depot is on this property. I have already deeded lots for a large \$50,000 wholesale store; am negotiating for a large college, oil mill, bank, large modern ginnery, cotton mill, hotel, and livery stable, all on this property, and have much encouragement to hope these and other enterprises will be located here before trains are running next fall.

I am laying it out in modern style, with large blocks and wide streets and avenues and with a beautiful natural park in the center. Two excellent never-failing mineral springs on grounds. Will be glad to correspond with or show th property to any one wanting a desirable business location of any kind, or a beautiful home. See Ansonville before you locate.
