

The Staff's Favorite Letters

The current issue of THE CHOWANIAN was a delightful issue for me to read. It is a source of satisfaction to me that the paper continues to improve, and that progressively it is relatively free from typographical and other errors. I want to commend you upon the fine job your associates and you are doing with our college newspaper.

I am sure that you are fully aware of the favorable publicity which Chowan College gets from the publication of THE CHOWANIAN. Almost everywhere I go there is someone who comments complimentary concerning the newspaper. It is a credit to the college and to those who are immediately responsible for its publication.

Again, thank you for the good job you are doing with THE CHOWANIAN.

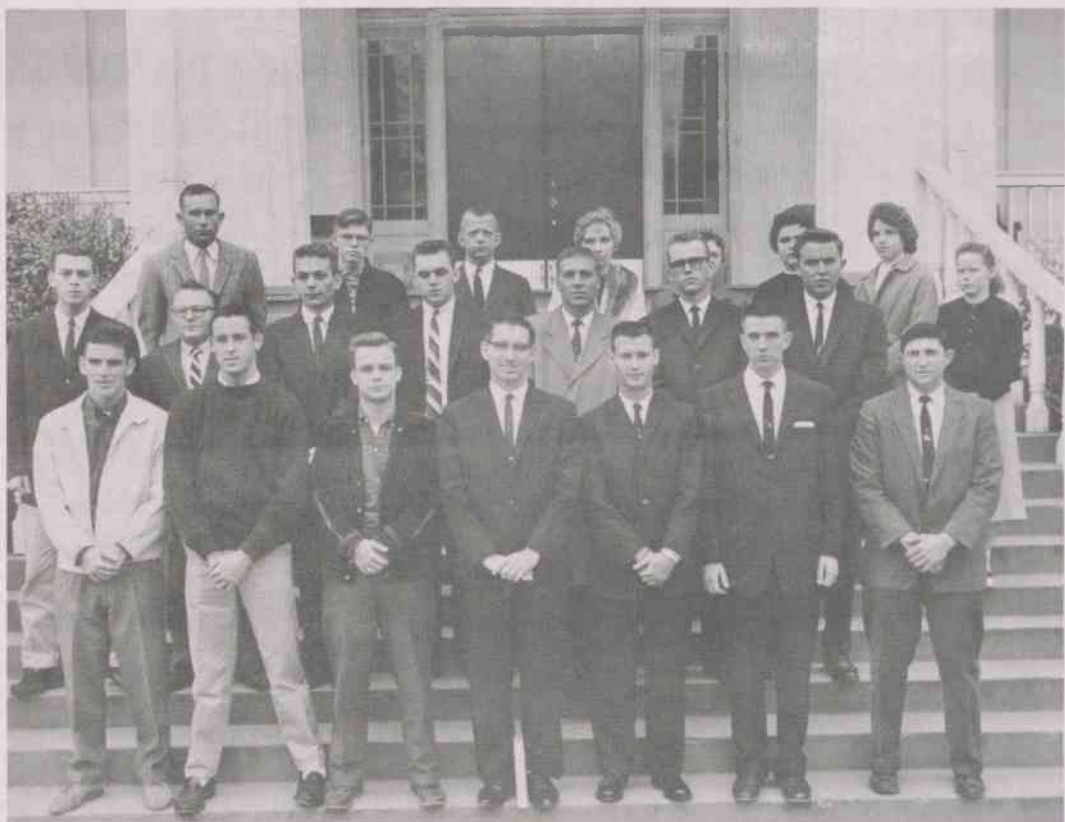

DR. BRUCE E. WHITAKER
Chowan College President

Just saw the January issue of THE CHOWANIAN and was greatly pleased with the manner in which religious news was covered, and displayed. The layout of the Focus Week was most impressive, particularly in the light of the copy available.

You and the staff of THE CHOWANIAN have been extremely helpful to this department in promoting the Gospel in written form. The attractive planning and printing of Religious News has been of vital help in bringing about a better understanding of Christian Faith on this campus and throughout the state.

Your efforts deserve commendation, and are greatly appreciated.

DR. WILLIAM C. YOUNG
Chowan College Chaplain

Mr. Bruce E. Whitaker
President
Chowan College
Mufreesboro, North Carolina

Dear Dr. Whitaker:

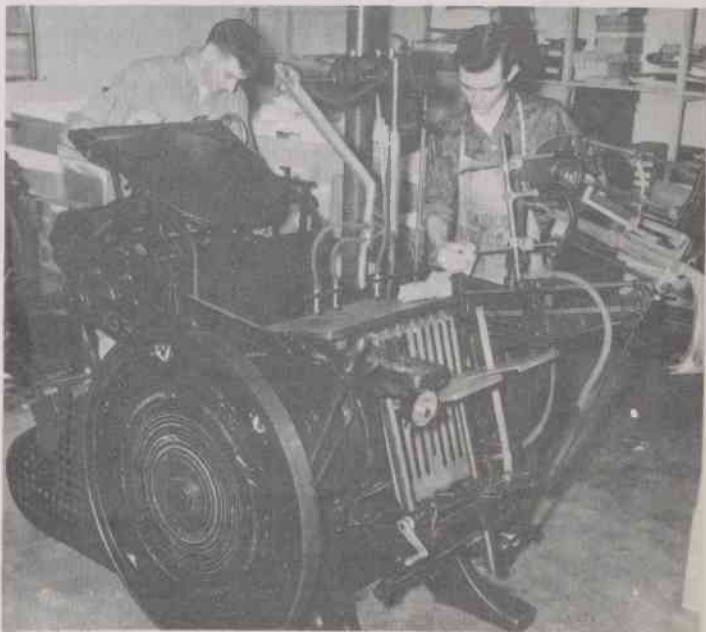

One of the most attractive publications of any college which comes to my desk is The Chowanian. The January issue is, as usual, up to the finest possible standards and I just wanted to send this note of congratulations to you and your student group who are responsible for this publication. The maintenance of the high standard and the attractive manner in which the contents of each publication are presented make it a delight to receive this fine paper, and a joy to read it.

Best of everything to you and may 1960 be a year of great joy and satisfaction to you and all those who are helping to make Chowan such a fine and growing institution in the cause of Christian Higher Education and the advancement of God's Kingdom. With kind regards,

Sincerely yours,

H. F. Reinhardt
