## **Bob Ryan Receives Honorable** Mention for All-American

By KEN WILSON

A great honor was recently bestowed upon a member of the Chowan College football team. Bob Ryan, end, was chosen as an honorable mention All-American.

Bob attended Hermitage High School in Richmond, Va., where he played his high school football. He started playing football, as a tackle, when he was a sophomore in high school, but a broken cartilege sidelined him after the second game.

As a junior in high school, he was moved to the end position both on defense and offense, where he alternated. Hermitage ended that season with a 7-2 record.

As Bob's last year in high school came around, he was holding down a position at defensive right end. The team ended the season with a 9-0-1 record, being held to a 0-0 tie, to mark the only flaw in a perfect season. Bob says his greatest thrill in high school was when his team played before a crowd of 14,-000 people and the game ended in a 0-0 tie.

When Bob entered Chowan, he was tried at the end position. He made first string defensive end,

and the Braves rolled to a season that was marred by only one loss. That game was the first that Bob had ever played first string and

the team he was playing on lost. When Bob reported for football practice late in the summer at Chowan last year he was chosen as a tri-captain along with Jerry Ford and Charles Mason. Bob said that he was prouder of being chosen by the team members as captain than being chosen as an All-American.

Besides playing football Bob also likes to play basketball. In his freshman year at Chowan he was a member of the intramural basketball championship team.

Bob was active in high school clubs and organizations and is active here. In high school he was an officer in the Key Club, a member of the track team, a SGA representative, and a member of the senior council. Here at Chowan he is currently president of the Monogram Club, member of the football team, recipient of all conference honors, honorable mention All-

When Bob graduates from Chowan, he plans to attend either Ran-dolph Macon or Guilford College.

# **Braves End** Regular Season With A Victory

Chowan College ended their regular season basketball play Saturday night by dropping the College of the Albemarle for the second time this season, 77-66.

Chowan, after building a 20-point lead in the first half, saw their margin drop to three points at the end of the first half, but bounced back to boost the score in the final

Butch Wolfe, who netted 20 points for the Chowan team, played a big role in rebounding along with Jay Reed, the Braves leading scores and rebounder. Melvin Bowles had 16 points and Don Jackson 13 to complete the Braves record at 7-15 for the season.

Herb Adams topped the scoring for the Albemarle Dophins with 22 points. Jimmy Turner added 17 for

The Chowan team will open play in the North Carolina Junior College Conference Tournament Thursday night with Oak Ridge at Louisburg.

Chowan 34 43-77 31 35-66

# **Braves Ranked** In Top 20

The January issue of JUCO Review, the official N. J. C. A. A. Magazine, indicates that the Chowan College Braves finished in the top twenty in the final NJCAA Football Poll and one team member, Bob Ryan, received honorable mention on the 1962 NJCAA All-American Football Team.

Trinidad, Colorado, held the top spot while Northeastern Oklahoma at Miami held second place, Coffeyville, Kansas, was third.

The Chowan Braves, coached by James Garrison and assistant coach Jerry Lee Hawkins, finished the season with a 4-3-1 record.

A woman was looking over a fox farm. After admiring a beautiful silver specimen, she asked her guide, "Just how many times can the fox be skinned for his fur?'

"Three times, madam," said the guide with a straight face.
"Any more than that would spoil his disposition."

## Braves Fall to Talented EC Frosh

Chowan's Butch Wolfe-sparked Braves chipped away a ten point halftime deficit and pulled even midway through the second period, only to have East Carolina's frosh blitz them with a fast-break attack and parade off with an 83-59 victory

The two clubs played on a pretty even keel during the first ten minutes of each half; but otherwise, the Pirates completely outclassed the smaller Braves. The visitors began to pull away with about nine minutes remaining in the opening stanza, and spent the balance of the half fashioning a 41-31 advantage.

Buc forward Bobby Kinnard hit a quick bucket to get the second half rolling, but then Wolfe took charge of the Injun offense. Butch, hitting exceptionally well from the outside, practically single-handedly sliced the EC lead in half, at 49-43. Chowan then mustered all its strength and hustled up six straight points to deadlock the contest, and when Wolfe popped in the evener, the visitor's bench signalled for a timeout.

From that point on, a strange

coldness gripped the Braves, and the polished Bucco fast break tolled the death knell for the Warriors for the twelfth time this season.

The much bigger Pirate forward wall had little trouble in snatching off rebounds and flinging the ball downcourt to a loose guard-and there always seemed to be one in

the clear.

Jay Reed, who took a little better than a twenty point average into the game, simply didn't have that sharp edge, and finished with just eight points.

Bob Riggs, who had tallied nineteen points in an earlier game with Roanoke, developed early foul trouble, and was able to account for only six markers.

Wolfe, though, came through with one of his finer performances, but the supporting cast wasn't there. Butch collected 24, with fifteen coming in the second half.

Neil Hodges led the Pirate attack with 25, and was soundly backed by Kinnard with 19, Jack Yoder with 14, and Jerry Woodside, who swished in 13.
