

What An Assignment For A Photographer

Steve Deal, CHOWANIAN photographer, was given the assignment to get pictures of co-eds in their "home-on-the-campus" environment. Here are some "shots".

1) Watching TV in the "new" girls' dorm. 2) Co-eds in their "columns" building dorm take time to study and write home. 3) These young ladies are having a frolicking good time. 4) Homecoming Queen surrounded by other Chowan beauties. 5) Having a "squaw" session appears to be fun for these girls. 6) Carolyn Royster does her home work. 7) If these co-eds are really studying they should get high grades. 8) Sue Cameron poses pretty in her room. 9) Just a pyramid of girls. 10) Having a midnight snack is a nightly ritual.
