

# News of the BSU

By BECKY O'NEAL

Hi, This is your B.S.U. Reporter bringing you "on and off" campus activities of the Baptist Student Union.

First of all, let me invite each of you personally, to attend, our Vesper services held each Monday and Thursday evening. Unless otherwise designated, they are always held in the Askew Student Union. Our program consists of singing and a short devotional, led by our Devotional chairmen Judy Winborne and Dick Murphy, or students who are asked to participate and have their own program. Sometimes we vary our programs with special features or a movie. Just keep your eyes open for posters of the coming attractions!..

The B.S.U. has had two called meetings, led by our President, Rudy Morton. State B.S.U. activities were relayed to us and are as follows, Nov. 5-7 N.C. B.S.U. Fall convention will be held at Wake Forest College in Winston-Salem. The theme will be "Faith and Learning" and all BSU'ers are urged to attend. It's an experience you'll never forget plus all the "great" people you meet and the challenges set before you! This year there'll be a little more action, as those who wish may witness the football game between Wake Forest and Va. Tech. —Don't forget, Nov. 5-7!

BSU and you will actively participate in the **LISTEN (Love Impels Sacrifice Toward Every Need) Fund Project** again this year. This past summer the **LISTEN Team** worked and constructed churches in Cherokee, N.C.

and next summer, eight N.C. Baptist students will have the opportunity to serve in Brazil!

Over the Thanksgiving Holidays, an International Student Retreat is held at Montreat for the foreign students. Anyone may apply to attend. It's surely well-worth it!

As you can see, we have a full and active year —and this is just part of what BSU does.

Come join us and be a part of it!
