Members of the Chowan College President's Council are those persons who have given \$1,000.00 or more to the college during the fiscal year; members of the Chowan College Columns Council have given from \$500.00 to \$999.00 and members of the Chowan College Century Council have given from \$100.00 to \$499.99

During this 127th academic year, we have been mindful of the strength, sustenance and support of individuals, churches, business firms, corporations and foundations.

Billy Graham recently said "Giving is what life is all about." In the following "Special Giving Report" we list those who have made special gifts during our academic year, including major gifts councils, alumni, parents and churches. It is our hope and belief that each gift has enlarged and enriched the lives of those who have given. Opportunities for meaningful service through gifts to Chowan College continue as we begin our 128th year of service to young men and women.
