

Addition for Green Hall

Work to transform Green Hall into a modern facility that will provide increased services for art students was begun this summer, as shown above. The walls of the present building have been bricked. Expansion is continuing which will provide an additional 4,000

square feet of space for classrooms, studios, art gallery and other uses by the art students. The interior of the present building will be renovated, according to David Parker, director of the Division of Art within the Fine Arts Department.

Construction of new addition to Green Hall now underway

Green Hall is undergoing a major expansion and renovation that will provide an additional 4,000 square feet of space of classrooms, studios, art gallery and other uses for art students.

Funds for the expansion were provided from the David Henry Cooper and Jo Piland Cooper Memorial Charitable Trust Fund. In the early 1920's David Henry

Cooper taught at Chowan where he met Jo Piland of Winton, a senior art student at the then four-year women's college. In 1923 they were married.

\$250,000 Gift

Chowan received \$250,000 from the sale of the late couple's West Virginia Farm and other holding and \$100,000 was earmarked for the renovation and expansion.

Convention youth director gives Convocation address

Dr. James Y. Greene, Director, Division of Youth and Campus Ministries, Baptist State Convention of North Carolina, delivered the address at the annual Fall Convocation on August 27, marking the beginning of the 137th academic year in the life of the institution.

Held in Helms Center, the convocation address focused upon the theme: "Education for World Citizenship." The assemblage of Chowan students and faculty/staff personnel included representatives from several foreign countries, in addition to the 20-25 states represented in the student body.

Numerous Degrees

A native of Asheville, Greene holds from Mars Hill College (A.A., 1952); Wake Forest University (B.A., 1954); Southeastern Baptist Theological Seminary (B.D., 1957); and UNC-Chapel Hill (M.A., 1969 and Ph.D., 1975) - the two latter degrees with major concentration in Anthropology. He has also engaged in graduate studies at The School of Pastoral Care, North Carolina Baptist Hospital; Yonsei University, Seoul, Korea; and Central University, Seoul, Korea.

Dr. Greene served as pastor of Arden Baptist Chapel, 1954-57. Thereafter, his career has been devoted to the interests of campus ministry, particularly among North Carolina Baptists. His positions of responsibility and leadership have included the following: Baptist Student Union Director, Appalachian State University, 1957-59; Associate Director, Department of Student Work, Baptist State Convention of North Carolina, 1959-61; Chaplain, Central University, Seoul, Korea

(under appointment by the Foreign Mission Board of the Southern Baptist Convention), 1961-65; Interim Baptist Chaplain, Duke University, 1967-68; Director, Department of Campus Ministry, Baptist State Convention of North Carolina, 1968-77; and Director, Division of Youth and Campus Ministries, Baptist State Convention of North Carolina, 1977 to the present.

Other Experiences

He has served, on occasion, as a Consultant on Human Relations and Cross-Cultural Communication with the Regenstrief Foundation, Indianapolis, Ind.; as Instructor, Department of Anthropology, North Carolina State University (1975-76); and as an Adjunct Professor of Christian Education, Southeastern Baptist Theological Seminary (1977, 1979, 1981-84).

Mike Moyer named wrestling coach

Michael William Moyer, a Reading, Pa., native, has been named Director of Lakeside Student Center and wrestling coach.

Moyer is a graduate of West Chester State College with a B.S. degree in health and physical education. As a member of the wrestling team at West Chester State, he posted a 119-14-0 record and was a NCAA Division I national qualifier three years.

Before coming to Chowan, Moyer served as a graduate assistant to the wrestling coach at James Madison University, Harrisonburg, Va. He will complete his work on a masters of education in 1985.

David Parker, director of the Division of Art, said the expansion will provide new commercial studios and other studio, office and storage space. He said the additional space also will enable the Division of Art to move the Art Gallery from its present location in Daniel Hall to Green Hall.

Parker said the construction is extending the original two floors (basement and upper level). He exclaimed that Chowan's students will greatly benefit from the expansion and renovation.

"It will be advantageous to the art program to have the Gallery and all of the art facilities under one roof," Parker commented. "The new studios and classrooms will result in increased service to our students and help us attract additional students," Parker noted. "These enlarged facilities will better serve the larger community as well," he said.
