President Bruce E. Whitaker shares one of the proudest moments of his 32-year administration with two key volunteer leaders, Robert Spivey, of Windsor, left, outgoing trustee chairman, and Thomas McCrary of Raleigh, new chairman. They are reviewing the Mission Excellence campaign totals prior to announcing the \$4 million goal has been exceeded by more than \$600,000. The trustees and advisors voted to extend the goal to \$5 million by June 30, the date of Dr. Whitaker's retirement. Spivey is chairman of the Mission Excellence drive. (See story on Page 3.)
