TO ERECT THE MONUMENT

TO DURHAM SOLDIERS WHO DIED IN SERVICE.

C. J. Hulín Gets the Contract—Let All Who Can Contribute to the Fund.

A meeting was held at the armory Tuesday night to receive the report from the committee in regard to the erection of a monument in the city cemetery to the memory of the members of Company I, First Regiment, who died during the Spanish-American War. The report was adopted.

It is proposed to put up a nice, neat and substantial monument. The contract has been awarded to C. J. Hulín, and the monument is to cost \$300. The work about the base and other necessary work will not be included in the above cost. It is proposed to have as suitable a memorial as the money that is to be raised will allow.

Col. J. S. Carr has agreed to give \$100 for the purpose, and there is \$24 to the credit of the fund that was donated by the First Baptist Sunday School.

If every one who can would give \$5 or \$10, a nice amount could soon be raised. The SUN does not think that the total amount to be raised should be less than \$500. We will take pleasure in receiving subscriptions for the fund, and all such amounts will be turned over to the proper committee. Leave such donations as you may desire to make at the SUN office. This is a matter that concerns the entire city, and our people should contribute liberally. Who will be the first?

Beautiful Millinery.

The ladies have had a regular spring picnic today—although the weather was not spring-like—in viewing the new and beautiful spring fashions and creations displayed in the millinery store of Mrs. Ada Smith. Her store has been thronged all day with the fair sex who have been charmed with the beauty of her goods. Mrs. Smith always displays fine taste in her selections and this season she has, if anything, excelled herself in catering to her trade. The display of the latest fashions and effects, so interesting to all ladies, is one of the prettiest ever seen in Durham, and she has been highly complimented upon her efforts in this millinery exhibition which is giving the ladies so much to talk about. If you have not been, go this afternoon and behold for yourself the charming creations in headwear, ribbons, flowers and the like.

Damage by a Blast.

There was a little excitement for a short time Tuesday afternoon on West Main street. Workmen who are putting in the new sewerage system, found it necessary to do some blasting. When the charge went off a piece of rock was thrown through a window of the American Tobacco Company's factory and damaged some of the machinery. A negro was hit on the heel, but not much hurt. It was fortunate that he escaped so lightly.

DAMAGE SUITS IN COURT.

DAVIS VS. SUMMERFIELD TUESDAY AND TODAY.

This Case Has Consumed Much of the Court's Time and Was Closely Contested.

The suit of Mrs. B. Davis against M. Summerfield was on when court adjourned Tuesday afternoon. H. V. Paul was the last witness examined before the adjournment for the night. The plaintiff sues for \$750 damages, claiming that when Mr. Summerfield erected his new building the foundation of her store was undermined, and by reason of this, one wall was damaged, there being several cracks in it, and that it had to be braced. A quantity of clothing was ruined by getting wet from a leak. Mr. Paul testified that the clothing ruined consisted of six piles, containing about ten suits to the pile, and the price of these ranged from \$5 to \$16, averaging, he thought, about \$10 a suit.

This morning, D. Z. O'Brian and H. L. Smith, two of Durham's contractors and builders, were upon the stand.

V. S. Bryant and J. C. Biggs appear as counsel for the plaintiff, while Judge R. W. Winston and F. L. Fuller represent the defendant.

Home on a Short Trip.

A SERIOUS CHARGE.

Max C. Mayer, a New York Broker, Accused of Extensive Embezzlement.

New York, March 18.—Max C. Mayer, formerly a member of the brokerage firm of Rathbone, Mayer & Rathbone, was arrested today at Bayonne, N. J., charged with embezzlement of funds said to amount in all to \$100,000. The charge was made by C. L. Rathbone & Son, the successors of the firm of which Mayer was formerly a member. He was taken before Judge Blair, of Jersey City, or a warrant charging him with embezzlement in one instance of \$4,800 and was released on \$25,000 bail. Subsequently an indictment was found against him by the grand jury of New York county. After his arrest Mayer said:

"I have asked my attorneys to make a detailed statement. The charge will not stand when it is explained. I was in partnership with Mr. Rathbone and it is because we dissolved that partnership that this has occurred."

How to Cure the Grip.

Remain quietly at home and take Chamberlain's Cough Remedy as directed and a quick recovery is sure to follow. That remedy counteracts any tendency of the grip to result in pneumonia, which is really the only serious danger. Among the tens of thousands who have used it for the grip, not one case has ever been reported that did not recover. For sale by W. M. Yearby.

MR. CRANE BADLY BURNED.

HIS HEAD WAS LYING IN BURNING OIL.

Injuries Not Thought to be Serious And He Has a Good Chance for Recovery.

Ed. Crane, who lives near the Pearl Mill, was burned in a very painful manner Tuesday night.

It seems that while he was fixing a grate he fainted, and either knocked a lamp over or it exploded. Some one came into the room and found him lying unconscious with his head in the burning oil. Nearly all the hair was burned off his head.

Dr. W. C. Melton was summoned and dressed the burns. While Mr. Crane's injuries were quite painful and severe, it is not thought that they will prove serious.

From what we can learn today, he rested well last night, and this afternoon is reported as getting along very well. He is rational.

It was a very narrow escape for him from one of the most awful deaths that can come to a man. Although his eye brows were burned, the eyes were not injured. All of his friends wish for him a speedy recovery.
