DEATH OF MR. A. B. TURNER

PASSED AWAY AT EARLY HOUR THIS MORNING.

Funeral Will Take Place 3:30 O'clock Tomorrow From the Residence.

Mr. A. B. Turner passed away this morning about 12:30 o'clock, in the western part of the city, of a complication of diseases. Deceased had been sick about three months.

Mr. Turner was 56 years of age, and leaves a wife and ten children. The oldest of the children are Mrs. Virginius Logee, Mrs. William S. Borland, Edgar, Newman, Eastis and Herman Turner. The four smaller children are girls.

Edgar Turner, who lives in New York, reached here Sunday night, and was at his father's bedside when the end came.

Mr. Turner lived in Winston for about two years. He had been in the employ of the American Tobacco Company for a number of years.

The funeral services will take place from the residence Tuesday afternoon at 3:30 o'clock, conducted by Rev. W. L. Cunningham, pastor of Main Street church. Interment will be in the city cemetery.

BRIGHT JEWELS.

Enjoyable Exercises at Trinity Church Sunday Night.

The Bright Jewels of Trinity Methodist church were in charge of the Easter exercises given on Sunday night. The church was well crowded.

The first number on the program was the song, "Jesus Lover of My Soul."

Rev. W. C. Norman read as the Scripture lesson a portion of the 28th chapter of Matthew.

"In the Resurrection Morning" was sung, after which Rev. Mr. Norman led in prayer.

The exercises by the children were very interesting and instructive. One of these was made up of thirteen girls, each containing a letter forming the words, "Christ is Risen." The songs and other features were well rendered. Mrs. W. W. Shaw presided at the organ.

Goes Over to Court.

After being out of the work house less than a day, Maggie Brown, a negro girl, got into serious trouble on Saturday night. She entered the millinery store of Mrs. J. L. Council, in West Durham. Some gentlemen heard a noise about the store and decided to see what it was. They discovered a person crawling out of a window. One of the men fired at the fleeing figure, and chase was also given. The person was caught, when it was discovered that it was the girl mentioned above. It was also ascertained that she was shot in two places, one ball having passed through her wrist and the other grazed the skin on the same arm.

The defendant was tried in the police court this morning and was bound over to the May term of court under a bond of \$50. Being unable to give bond, she was committed to jail.

Home From China.

C. M. Hutchings, who has been representing the interests of the American Tobacco Company, at Shanghai, China, for a little more than two years, arrived in Durham Sunday morning. During his absence his family have still resided in this city.

Mr. Hutchings looks very well, notwithstanding the fact that he has been a little under the weather during the winter.

It is really interesting and entertaining to hear him converse about China. All of Mr. Hutchings' friends are glad to see him home again.

The handsomest line of jewelry and cut glassware in the city can be found at M. H. Jones'. Be sure to see it before you buy. 29-21

THE GAS PLANT.

Work is Going Ahead in a Satisfactory Manner.

Work on the gas plant is going ahead at a very satisfactory rate, and taking everything into consideration, progress has been rapid since the brick laying on the buildings began.

The plant is situated on the Norfolk & Western road, a short distance from the east Dillard street bridge. A side track runs out to the plant.

Nothing but the very best brick and other materials are being used in the construction of the works. The two buildings are situated some distance apart as a safety precaution. One will be used in which to make the gas and the other will be the refinery. In the last named there will be no fires about the building.

At the present rate that work is progressing it will be no far distant day when the gas company will be ready to serve the people.

WIPE OUT THE DEBT.

Messrs. Duke Give St. Joseph's \$2,000.

Messrs. J. B. and B. N. Duke made a nice and highly appreciated donation to St. Joseph's A. M. E. church Sunday. This donation was \$2,000, with which to pay off the indebtedness on the church.

St. Joseph's church cost about \$14,000. All of this amount except \$2,000 had been settled, and now the Messrs. Duke came to the front and wiped out the whole debt, leaving the members of the church free again.

This generous act on the part of these two gentlemen is most highly appreciated, as well as all the other noble kindnesses rendered.

The New Street Cars.

A large number of people went down in Edgemont Sunday to see the four new street cars that have been received by the Durham Traction Company. They were on flat cars on a side track of the Norfolk & Western road, not having been unloaded.

The cars are very attractive and strictly up-to-date. They are gleeed cars, with vestibules at each end, so that the motorman is not exposed to the cold and inclement weather in the winter time. The summer cars will also be right to date.

The car shed, which is situated on the eastern extension of Main street, has several tracks running into it. The shed is an imposing structure.

Delegates to the Reunion.

At a meeting of R. F. Webb Camp of Confederate Veterans, which was concluded too late for an account to appear in Saturday afternoon's issue of this paper, the following were elected as delegates to the reunion at Dallas Texas: F. D. Markham, James Pickett and W. H. Holloway. It was agreed that all members of the camp who go will be considered as alternates in the event that any of the delegates cannot go.

Paint and Beautify.

The painting and beautifying of houses, fences, etc., in the spring time helps the looks of things in a wonderful manner. A greater difference would be wrought if every one who owns property would celebrate the advent of spring by a free use of paint. It improves and enhances the value of a residence. Every person of aesthetic tastes had much prefer to live in a house that is painted than one that is not. It gives a cheerful aspect to the surroundings such as cannot be obtained otherwise.

A FAIR AND COOL EASTER.

THE DAY GENERALLY OBSERVED IN DURHAM.

Numbers Went Out on Picnics—Baseball Games Here and Elsewhere.

Easter Monday has been fair and cool today, but notwithstanding this fact a number of picnics and outing parties have been enjoying the day in the country. The railroad trains had on board a number of people this morning who were going off to spend Easter with relatives and friends.

The schools all gave holiday, and the banks and a number of manufacturing enterprises were closed.

This afternoon the Davidson and Trinity baseball teams line up on the Hanes athletic field.

The Trinity Park High School ball team went over to Oxford this morning to play the Horner School team. The High School, colored, of this city, also left for Raleigh to meet the team of St. Augustine's school.

Prof. and Mrs. Gilmore Ward Bryant and a number of pupils of the Southern Conservatory of Music, have gone to Raleigh to attend the State Music Teachers' Association. The Conservatory will take two or three days vacation.

The Sun hopes that all of its readers are having a joyous Easter.

New Advertisement. PRICES TELL.

I noticed in the "New Home" agent's advertisement, which appeared in the Morning Herald the 26th of this month, that he claims that competition has compelled him to sell the "New Home" sewing machine for \$4.00. I think that he formerly sold the "New Home" for \$15. According to this, I claim that probably I have been the cause of the good people of Durham saving \$11 on this machine. Should not the good people be thankful to me for this great saving? I will not only save you considerable on a sewing machine, but will save you money on a piano and organ as well. I am satisfied with a living profit. I buy goods closely and I sell close.

I have the largest line of sewing machines, pianos and organs to be found in the state and will sell you or cause you to buy cheaper than ever before if you will only give me an opportunity. Call on me and examine my lines and get best prices and terms. Machines (new) from \$14.00 up; organs (new) from \$3.00 up and pianos (new) from \$10.00 up. Sold for cash or installment. Machines from \$2.00 per month up; organs from \$1.00 per month up and pianos from \$7.50 per month up. Yours truly, W. R. Murray, Wholesale and Retail, Main Street, Durham, N. C.
