STOCKHOLDERS MET.

Traction Company Expects to Run Cars by May 10th.

The annual meeting of the stockholders of the Durham Traction Company was held in the office of the Company, in the Wright building, Monday and were in session some time. The President submitted his annual report showing that the company was in good condition and that the expectation was that the street cars would be running by the 10th of May.

The stockholders re-elected the former board of Directors, to-wit: R. H. Wright, J. S. Carr, H. A. Foushee and J. S. Manning of Durham, N. C., and Sam'l Register of Richmond, Va. The Directors thereupon met and re-elected R. H. Wright, President; J. S. Carr, vice-president, and J. S. Manning, Secretary and Treasurer, and Manning & Foushee, general counsel.

Mr. David Pepper, Jr., of Philadelphia, Pa., of the firm of Pepper & Register, who are building the street car line was here to attend the meeting of the stockholders. Mr. W. W. S. Butler, who recently came here from the Railways General, is the new general manager of the Durham Traction Company. He has had several years experience in the street railway and electric lighting business and has taken hold of his work in earnest and has made a pleasant impression on our people. Mr. Sam'l Register, of Richmond, Va., was also here to attend the meeting.

Reduction on Nissen Wagons.

There is no better wagon on the market than those made by Geo. E. Nissen & Co. M. F. Markham is the agent in Durham and he would be pleased to talk to you on the subject of purchasing one. By reference to an advertisement in this paper you will see that there is a reduction of \$5 on two horse wagons, and \$2.50 on one horse wagons. They want to close out stock on hand to make changes. We commend these wagons to our readers as to quality and durability. Read the ad and then see Mr. Markham.

Acts as Best Man.

Mr. J. Crawford Biggs, of Durham, has gone to New Orleans, where he will act as best man at the marriage of Mr. James R. Young, Insurance Commissioner of North Carolina, and Miss Virginia T. Nichols, daughter of Chief Justice Nichols, of Louisiana. The marriage takes place tomorrow. Mr. and Mrs. Young will be at home in Raleigh after the 10th of May.

Laid First and Last Rail.

J. J. Rodden, superintendent of the track-laying force on the street car line, laid the last rail this afternoon at 10 minutes to 3 o'clock, thus completing the system. Mr. Rodden laid the first rail on the 21st of last October. We can in all truthfulness say that a better street car system has never been put in anywhere in this country.

Gone to Raleigh

The Trinity baseball team went down to Raleigh this morning to play the Wake Forest team this afternoon at 4 o'clock. A number of Trinity students and citizens of Durham went down to witness the game. Among the number were Dr. W. P. Few, Mr. and Mrs. C. B. Alston, Mrs. W. C. Bradsher, Miss Marjorie Jordan, T. H. Martin and others.

Ball Game Tomorrow.

Tomorrow afternoon at 4 o'clock, the baseball teams of the Danville Military Institute and Trinity Park High School will play a game in this city. It is expected that this will be the last played here by the High School during the season. Admission 25 cents. Ladies admitted to grand stand free of charge.

A GREAT TIME EXPECTED

ODD FELLOWS TO CELEBRATE ANNIVERSARY.

Sermon Sunday Night by Rev. Mr. Watson—Address Monday Night by Hon. C. W. Wheeler.

Golden Link Lodge, No. 114, I. O. O. F., like Captain Wright, is going to give a treat. Everybody who takes it in will enjoy it. The occasion is in honor of the 83d anniversary of the organization of Odd Fellowship.

The sermon is to be preached on Sunday night, April 27th, at Main Street Methodist church, by Rev. Neill M. Watson, of Chapel Hill. Mr. Watson is an able and forceful speaker, and being an Odd Fellow as well as a preacher, he will be equipped to give something nice at this time.

On the night of the 28th, at the Southern Conservatory of Music, Hon. C. W. Wheeler, of Portland, Oregon, will deliver the address on fraternity. He is a born orator—pathetic, humorous and eloquent. The music will be under the direction of Mr. G. W. Bryant. That means it will be up to the top-notch of excellence.

After the exercises Monday night at the Conservatory, the brothers with their wives, sweethearts and other invited guests will repair to the armory and enjoy a banquet served by A. Dughi, of Raleigh. Short speeches will be made during the progress of the banquet. Prof. Overton will act as toast master.

It is an interesting time the Odd Fellows are expecting. Public cordially invited to the church and Conservatory, 8 p. m.

The members of the order will meet Sunday and Monday at their lodge room, over Slater's store, and march in a body to the church and Conservatory.

The following concerning Hon. C. W. Wheeler, who delivers the address, is clipped from the Kalamazoo (Mich.) Commoner:

"The most magnificent audience ever assembled under one roof in Kalamazoo gathered at Carlson's Opera House last Tuesday night and listened to one of the most magnificent addresses ever delivered here or elsewhere.

"For an hour and a half Hon. C. W. Wheeler addressed the 600 people before him on the beauties and benefits of fraternity without making a dry or dull statement and without uttering a sentence that could have been omitted without marring the beauty of his address. It was decidedly the most lucid and most entertaining exposition of fraternalism ever delivered in Kalamazoo."

Thinks It Unwise.

A gentleman said today that he did not think it a wise idea for the new baseball park to be located near the cemetery. He gave as a reason that it would be very inappropriate if a game of ball was being played while a burial was in progress, and that the shouting over some telling play in the ball game would be quite mortifying to relatives and friends of deceased persons.

The above are not intended as our own views in regard to the matter, but were suggested by one of the best known men of Durham. We give them for what they are worth.

The Wreck at Dewitt.

The SUN published the fact in Monday afternoon's paper that the Durham baseball players, Messrs. Murphy, Taylor, Walton, Dejters and Soffel, escaped injuries in a wreck at Dewitt, Va., while on their way here.

It seems that a half witted boy opened a switch of a spur track. On this track were several cars loaded with lumber. The fast passenger train, in charge of Engineer Buckner, crashed into these cars. One piece of timber cut off the top of his cap and another grazed his neck, but strange to say he was not hurt in the least. The engine staid on the rails, but the tender capsized. Four empty baggage cars were derailed, but not a single passenger car left the track.

STREET MATTERS.

Petitions Read Before the Board—Grades to be Established on Two Streets.

The Board of Aldermen of the city of Durham met Monday night and transacted the following business:

A petition from citizens living on the extension of Mangum street was read, asking that the extension of said street be macadamized and that curbing be laid on the east side of sidewalk. On motion it was ordered that this matter be referred to the Street Committee with power to act.

A petition was read, that Church street and Pickett street, in Hayti be put in passable condition. On motion it was ordered that this matter be referred to the Street Committee with instructions to investigate condition of said streets.

The Street Committee reported that Morgan street was in good condition. The Street Committee recommended that no action be taken in the matter of the street which extends from the residence of A. K. Umstead, on Dillard street, to a point near Edgemont Mills.

On motion it was ordered that a committee of three be appointed, to which add the City Attorney, whose duty it shall be to take into consideration the matter of numbering the stores and dwellings in the city, and also the erection of signs for streets and avenues of the city. The Mayor appointed on the committee Aldermen Mason, Cheatham and Carr.

On motion it was ordered that the grade on Corcoran street and on Chapel Hill street, from Five Points to Mangum street, be established in accordance with survey as fixed by the City Engineer.

Masonic Meeting Tonight.

A regular meeting of Durham Lodge, No. 352, A. F. and A. M., will be held tonight in their lodge room in the Wright building at 8 o'clock. Work in first degree. All members are requested to be on hand, and visiting Masons in good standing with their lodges are cordially invited to be present. Remember the meeting will be held at 8 o'clock sharp.
