ANOTHER WRECK ON S. A. L.

TOOK PLACE BETWEEN CARY AND RALEIGH.

One Freight Train Crashes Into the Rear of Another--The Southern Tracked Blocked.

The Seaboard Air Line seems to have the luck of it these days in regard to wrecks. They have had quite a number of them within the past three or four months.

Early this morning there was a tail-end collision of two freight trains between Cary and Raleigh. It occurred near the same place of the wreck a few days ago. From what can be learned, it seems that one train which was following the other, crashed into the rear of the one in front, wrecking several cars. It was reported here that two of the crew, colored men, were hurt.

Some of the cars were thrown over on the Southern track, which parallels the Seaboard, thus blocking this line for sometime. The west bound Southern train, due in Durham at 9:50 a. m., was considerably delayed on this account, and did not arrive until 2 p. m.

From a passenger who came up on the Southern, we learn that a hobo, who was beating his way, was so badly hurt that he died from the effects of his injuries. The caboose of the forward train was almost demolished and the engine of the rear train badly damaged.

A telephone message received from Raleigh at 3:30 p. m., stated that several tramps were hurt, but no one was killed or had since died, so far as could be ascertained. One of the cars was thrown through the fence at the penitentiary, as that was where the wreck occurred.

MR. HAWKS COMING.

Laughing Philosopher Appears Here May 9th.

A. W. Hawks, "The Laughing Philosopher," will appear at the Southern Conservatory of Music, May 8th, at 8:30 p. m., under the auspices of the Durham Lodge, Knights of Pythias.

In the entertainments given by Mr. Hawks, tears follow laughter. He tells funny stories and recounts pathetic incidents. He is without a peer; his facial expression is wonderful; no costume or make-up. Mr. Hawks wears his store clothes and makes his own faces. He comes endorsed by the entire clergy and press of his own State, Maryland. Below will be found a few endorsements selected at random.

E. B. Prettyman, Principal State Normal School, Baltimore, says: "He is absolutely irresistible as a humorist, and scarcely less so in his pathos. He makes you laugh and he makes you cry. Moreover, Hawks is a Christian gentleman of the highest character and the purest life."

Owensboro (Ky) Daily Messenger: "Hawks is a graceful orator and an entertaining speaker, and his lecture was a very fitting opening to the Lyceum course."

Corydon (Ind.) Democrat: "Go on Mr. Hawks, you are making the world better."

If the ladies want pretty millinery, at low figures, they are invited to inspect the stock of A. Max. Spring prints, the prettiest in the city. Going cheap, too--that's another beauty about them.

They banish Sick Headache, drive out Malaria. Never gripe or weaken. Small, taste nice, work wonders. Try them. 25c. at R. Blacknall & Son's Drug Store.

MR. SORRELL DEAD.

Passed Away of Heart Disease in Raleigh.

W. M. Sorrell, a cotton gin whetter and repairer, who resided on Angier Avenue, this city, was found dead at Evans' restaurant, in Raleigh, Thursday morning.

Deceased was between 50 and 60 years, and leaves a wife and several children. His death is supposed to have resulted from heart disease, from which he is known to have suffered.

The body was taken from Evans' restaurant to the undertaking establishment of John W. Brown, where it was embalmed and prepared for shipment to Durham.

THE FIRST GAME.

It Was an Interesting and Remarkable One.

The game between Trinity and the Durham baseball team Thursday was highly interesting, the score being 8 to 5 in favor of the Durham team. When we remember that Trinity is in thorough practice, familiar with the diamond upon which the game was played, while the Durham team had comparatively no practice and all possessed of stiff and sore limbs, and had never played together before, the showing made by the team was remarkable. The mere fact that the infield accomplished five double plays, gives one an idea of what is in the new men. True they did not show up well as hitters yesterday, but Captain Giles for Trinity was very wild, which contributed to the lack of hits as much as anything else. Captain Stockdale's home run hit to deep centre was the longest and cleanest hit ever made upon Trinity's diamond. The base running of the entire new aggregation was something fine, and that of Curran, Sefel and Deiters deserve especial mention.

The professionals worked out five fielders and three pitchers, giving the management an opportunity to get their eye on all the players. The same arrangement will be gone through with this afternoon, and it is possible that after the game Manager Stockdale will pick out his team for the year, which, when they get together and limber up, are certain to prove a winning aggregation.

The infield consisting of Stockdale, Deiters, Darby and Soffel, is all that could be expected, while catcher Curran is fit material for the Major League.

The outfielders and pitchers showed up well, but we are unable to pass criticism, owing to the fact that changes were made every three innings in order to give all the fielders and pitchers practice.

This evening the batteries were Murphy, Brucker and Sullivan pitchers for Durham with Curran at the receiving end, and Bradsher and Chadwick the battery for Trinity.

Revival at Trinity Church.

Rev. W. C. Norman preached at Trinity church last night from the 19th verse of the 5th chapter of 1st Thessalonians--"Quench not the Spirit." The sermon was an earnest plea for sinners not to resist the influences of the Holy Spirit, but to give up unreservedly.

At the close of the sermon, a number asked to be remembered in prayer, by bowing. The congregation at this service was perhaps the largest of any during the meeting.

Two services are being held daily--at 10 a. m., and 8 p. m. Everybody cordially invited to come out to each service.

While beef and corn is going up out of the reach of ordinary folks, A. Max's grocery department is coming right down in prices to fit all classes of pocket books. His hams, breakfast strip and fish make you feel like finding a gold mine if you dig them out of his cheap prices.

The wooden goat which S. W. Mitchell, of Yorkville, S. C., alleges damaged him in his initiation into the Woodmen of the world, caused much merriment in the court room yesterday.

THE NEW PARK FOR DURHAM

WORK TO BEGIN ON IT AT ONCE.

Traction Company to Have It Ready by the Middle of June--Splendid Location.

The Durham Traction Company has bought 27 acres of land, 6-10ths of a mile beyond the city cemetery, which will be converted in a park for the benefit of the people of Durham and all others who may wish to enjoy the benefits of it. Twelve acres were purchased from W. H. Proctor and fifteen acres were what is known as the Mrs. Nancy Riggsbee land.

The company will go to work at once to have the undergrowth cleaned up, have walks laid, pavilions built and all other necessary things arranged so as to make the park as attractive and inviting as possible.

It is expected that the new park will be ready by the middle of June.

The work of extending the street car line out to the park will be begun at once and will be finished within three weeks.

With the city park and the baseball park situated on the car line within easy reach, the Durham Traction Company is entitled to much credit, for thus providing our people with a place to spend a pleasant hour or a day's outing. The papers have all been signed, and we can now say officially that there is no doubt in the world about the location of the park.

The location is one of the best that could have been secured, and so say all who know anything about it.

Scalded Painfully.

A little child of Mrs. Martha Brooks, who lives on Liberty street, was badly scalded late Thursday afternoon by turning over a kettle of hot water upon it. Dr. Z. T. Brooks was summoned and rendered the necessary medical assistance. While the child's injuries were quite painful indeed, it is thought that it will recover.
