**DOING A BIG BUSINESS.**

Quaker Remedy Co., Holding Forth Opposite Trinity College.

The Quaker Remedy Co., is giving free entertainments every night in the western part of the city, on the vacant lot near Norris' store, just across the railroad from Trinity College. The crowds that attend are large, in fact on Saturday night there were several hundred people present, including men, women and children, and the best of order prevailed.

What struck a SUN representative perhaps more forcibly than anything else was the eagerness with which the people purchased Quaker Remedies. Persons were cured of headache, toothache, etc., almost instantly on the platform in full view of the people. There was such a demand for the medicines offered that Dr. Payne could hardly wait on the crowd fast enough. This is the case every night, the fame of the remedies having spread throughout the city and county as well. Some remarkable cures have already been made.

A cake walk performance is also given during the concert, and this cures you of the blues in its judiciousness.

**Liquid Air Coming.**

Very many persons have read and marveled at the paradoxical and startling things done by Liquid Air. A majority will want to see and know more of this wonderful fluid, and on Wednesday night of this week, at the Durham Opera House, all will have an opportunity to do so. A large number of tickets have already been spoken for and all going should secure seats early.

The lecture is not a sensational one, but a series of new wonders will be presented from start to finish. It will begin promptly at 8:45.

**Concert by the Orphans.**

Tickets for the concert by the orphans from the Oxford Orphan Asylum are being sold by children under the supervision of Miss Elizabeth Taylor. The price of admission to the concert will be 15, 25 and 35 cents. Have the seats checked off at once at Vaughan's drug store. The entertainment this year will be one of the best and most enjoyable. Go out and hear the orphans sing.

**Scarce in Some Sections.**

In some sections throughout this part of the State there is reported a scarcity of white farm laborers. A number of families have moved to Durham during the past few months to obtain work in the mills and in other businesses. A good many negroes have also come here to obtain work.

**THE LEAGUE SEASON OPENS**

**DURHAM TEAM'S FIRST GAME IN CHARLOTTE.**

For the Next Four Months There Will be Lively Ball Ahead for the Six Cities.

The Durham baseball team, of the State League, left Sunday afternoon for Charlotte, where they were scheduled to play the team of that city this afternoon. They play there again on Tuesday and Wednesday, after which they go to Raleigh to play the three remaining days of the week.

Durham and Charlotte both have strong teams. Otis H. Stockdale, as captain and first baseman of the Durham team, and E. M. Asherback, as captain and first baseman of the Charlotte team, are baseball men that thoroughly understand their business.

The North Carolina League season began today with the following games in addition to the Durham-Charlotte game: Raleigh vs. Wilmington, at Wilmington; Greensboro vs. New Bern, at New Bern.

The umpires assigned for these games were: Harry Mace, of Washington, at New Bern; Thomas McNamara, of Pittsburg, Pa., at Wilmington; George Dudley Proud, of Philadelphia, at Charlotte.

From now until Tuesday, September 9th, the League season will last, thus affording four months of ball playing to the lovers of the game in the six cities in the League, Charlotte, Greensboro, Durham, Raleigh, New Bern and Wilmington.

**Meet Tomorrow Afternoon.**

A called meeting of the Julian S. Carr Chapter of Daughters of the Confederacy will be held tomorrow afternoon at 4 o'clock, at the Public Library. **Mr. Wily's Father Dead.**

Mr. John F. Wily, cashier of the Fidelity Bank, has been called to West Virginia on account of the death of his father, Dr. John Bolling Wily. Mr. Wily received the sad information on Sunday and left over the Southern railway in response to the message. He has the sincere sympathy of our people in his bereavement.

**The Game Saturday.**

The exhibition game of ball Saturday afternoon between the Trinity and Durham teams was won by the last named by a score of 9 to 8. Morris and Sullivan, of the Durham team, did the pitching for Trinity. The winning run was made in the ninth inning, the score being a tie in the eighth. Durham's team showed up well at the bat, and in fact, every player did well.

There will be no encampment of the State Guard this year. The cost of sending the provisional regiment to the Charleston Exposition was between \$4,000 and \$5,000. The State never had a better representation outside of its borders than this regiment gave it.

North Carolina cut hearings at A. Max's for 10c per dozen.

It is estimated that 12,000 to 15,000 white men in the State disfranchised themselves from voting by failing to pay poll tax. It is thought that over 30,000 negroes in the State will lose their vote on the same account.
